RE: Budget Increase Request State Contract 78912

DATE: April 9, 2024

1. On March 12, 2024 Jennifer Walsh, State Recovery Court Program Manager, notified me that Blount County Recovery Court had been awarded an additional \$3,500.00 on our FY 23/24 State Grant.
2. This is a onetime budget increase due to extra funds identified by the state. The funds will be placed in Office Supplies and used by the end of the 23/24 FY.
