Re: **BCSO Motor Vehicles reappropriation request**

Budget Committee Members and Commissioners,

John Hamby, with TT of Murfreesboro, made us aware on Monday, Nov. 20, 2023, that 3 Ford Escapes that were ordered last budget year, were not going to be built and are not on the 2024 State Contract. We are requesting to re-appropriate those monies that were on a prior year (FY22-23) purchase order for the 3 Ford Escapes that are no longer available. Closing the PO causes the monies to fall to fund balance, so the Sheriff's Office is asking for that money to be made available in this budget year to purchase 3 replacement vehicles.

Thank you,

Jarrod Millsaps, Deputy Chief Administration
