Greetings Project Directors,

This update is to insure you that we do plan to post the FY25 MHT Solicitation. It should be online soon. The solicitation period will be July 1-31, 2024 with deadline July 31 at 4:00 CST. The grant period will be retroactive to July 1 and MHT expenditure after July 1 can be reconciled back to July 1 when you're your county receives it FY25 funds.

Agencies with carryover funding should continue to use it for FY 25 expenses after July 1.

I apologize for the delay over previous years solicitation postings.

Don't forget FY24 Q4 reports are due by July 15 and Year End reports due by July 31. Please get those in as we will need them to determine your carryover funding amounts.
