Eligibility

Eligible subrecipients are limited to: Sheriff's Offices in the State of Tennessee who conduct secondary transports as described under TCA § 33-6-406.

Sheriff's may designate other entities, to include municipal law enforcement agencies or other third-party providers that meet the requirements for secondary transportation agents under TCA § 33-6-901 to provide the transportation on their behalf. Sheriff's Offices must apply for this funding and then subcontract with other municipal law enforcement agencies or third party providers.

Purpose

- Conduct mental health transports pursuant to Tenn. Code Ann. § 33-6-406; or
- Designate a secondary transport agent pursuant to Tenn. Code Ann. § 33-6-901.

This grant is for non-custodial individuals only. Any individual transported under this grant from a jail or workhouse must be on cash bond or Release on Recognizance Bond.
