Commissioner Jared Anderson  
Chairman, Blount County  
359 Court Street  
Maryville, TN 37804

Dear Mayor Mitchell and Commissioner Anderson:

The Blount Memorial Hospital Board Nominating Committee has unanimously approved submitting the nomination of Susanne Y. Davis to the Blount County Commission for a seat on the Hospital Board. Ms. Davis would fill the unexpired term of Clarence Williams who was approved by the Alcoa City Commission in November 2022. Ms. Davis term would extend from her time of approval through the end of December 2024.

Ms. Davis has an excellent resume and has substantial expertise in the field of accounting. The nominating committee members felt her skills and knowledge would be valuable on the Hospital Board. I have attached a copy of her resume for your review.

The nominating committee would appreciate your taking Ms. Davis's nomination through the County Commission's approval process as soon as practical. I would appreciate your letting me know when the Commission has made its decision.

Thank you for your consideration in this matter.

Sincerely,
