Son Died at age 50 on 7/15/1985, he was a Pvt in the Army. Velma seems to disappear some time after the birth of the child. She is not mentioned on Find A Grave concerning her son's death. I served on a jury for a medical malpractice trial at Blount County Courthouse I think in either 2010 or 2011. I was wondering if the county would have any record of my jury service, for example the dates I served or the case details? If you dont, do you know where I might be able to get this information? I wanted it for my personal records, as one day I wanted to perhaps write down my life story for future grandchildren, and so wanted that information to help me with that Thank you for any help that you can provide Guy Handscombe	Public Records Request	9/26/2024
