Good afternoon Lauri,

In regards to the Veterans Affairs Committee, TJ Henry is no longer active with American Legion Post 13.

I've attached the minutes from their last meeting and they would like to have Larry Grant as their representation on our committee. The minutes do say United Veterans but they just didn't know the correct language. Let me know if that's a problem.

Have a great day!

We removed TJ from the committee and elected me. I will get with Chris to obtain a copy of the minutes to be submitted.

Larry,

Great to see you at the meeting last night. As I was telling you, we have a Veterans Affairs Committee for my office. We have a meeting each quarter and I report to them what we have been doing at our office. Each organization selects someone to represent them.

I think what needs to happen is at the next American Legion meeting there needs to be a motion to remove TJ Henry from the Veterans Affairs Committee since he is not active with the American Legion post anymore. Then another motion selecting you or someone else. The person does have to be a Blount County resident.

Then I need a copy of the minutes to send to our commission secretary to have the Blount County Commission vote on it.

Also, I need to be at the Commission meeting on Thursday and hope to make the Legion meeting the following month. Have a great day!
