Re: Fencing at WBHS CTE

Mr Ridge,

East Tennessee Fence Company is the Blount County awarded contractor to provide fencing. We have two quotes from them to do some fencing at WBHS CTE as part of the renovation project. We purposely chose not to utilize the general contractor due to their charging overhead and profit on top of the subcontractor prices. The first attached quote is to replace the old fencing that surrounds the vehicle and metals shops.

The second attached quote is due to a request by Blount County Risk Management in order to keep students from accidentally falling into the retention pond. These will utilize Fund 177 fund source.

It is my recommendation to award the required service to East Tennessee Fence Company.

Upon approval of the recommended vendor, this request will then go to the commission for further approval.

Please contact me at 865-982-9412 or james.duke@blountk12.org if you have any further questions.
