Blount County Highway Superintendent

RE: Requesting Additional Funding to purchase a used Track Hoe

DATE: September 29, 2023

The Blount County Highway Department is in the need of getting a Track Hoe to use with the Forced Air Curtain and in the field with the bridge repairs and road slip repairs. By purchasing this equipment used, it will save money for the county. Therefore, it is requested at this time that a use of fund balance be used to purchase this piece of equipment to continue the many projects that are currently working. By allowing this budget increase, the Blount County Highway Department can continue to make the roadways of Blount County as free from danger as possible for the citizens.
