Re: Increase the Procurement Threshold for Competitive Bids to \$50,000

Blount County Schools is in full support of the resolution to increase the procurement threshold for competitive bids to \$50,000. This change will allow Blount County Schools to procure materials and services, under the \$50,000 threshold, more efficiently and effectively. In addition, this change will allow School and Central Purchasing staff to focus more efforts and resources on higher dollar value procurements.

Sincerely,
