He encouraged feedback on future BCS annual reports. Fairview was highlighted throughout the 2024 report, Mr. Murrell noted that in 2022-23 they earned a Grade A from the TN Department of Education; were deemed a Reward School based on Federal accountability data; and they were a Level 5 School. Mr. Murrell introduced Fairview Elementary School Principal Chris Merritt who commended his staff on their accomplishments. The school will soon be celebrating 75 years. Principal Merritt introduced Dee Harner, a first grade teacher who's been at the school for 10 years. Ms. Harner introduced a third grade student who she taught in first and second grades. They briefly spoke about their experiences at Fairview Elementary School.

Mr. Murrell introduced Family Resource Center (FRC) Coordinator Kelly Roberts and Family Services Specialist Carrie Wicks, stating that FRC does more than home visits. The FRC addresses students and families non-academic barriers to learning (e.g. needs for food, health, housing, etc.). They handled over 550 referrals and provided over 375 direct services to families. Since the 2022-23 school year, over 150 extended food boxes have been given to BCS families. On November 12, 2024, they will host a free community resource fair for families. They have partnered with other city school systems to coordinate lunch and learn format classes for families. They work with families in the truancy process by holding IMPACT classes. Commissioner Giles inquired about funding. The FRC has an advisory counsel that tracks donations and spending. Commissioner Reagan inquired about the number of BCS families that are homeless. Ms. Roberts responded that there are twenty-something verified homeless families in Blount County. That led Mr. Murrell to segue into the needs caused by the devastation of Hurricane Helene, and Supervisor of Facilities, Maintenance and Capital Projects James Duke reported that 10 pallets of water and other supplies (i.e. diapers, toilet paper, etc.) were deployed to areas in need.
