There are around 40 parcels that I am doing the title work on. I ran into two (2) very old Wills which are filed in Will Book 4, Page 157 et seq., which should be the Last Will and Testament of C. C. Litterer and Will Book 5, Page 470, which should be Mary Jones Litterer, his wife. There is also a newer estate of Helen Hudgens Davis whose Last Will and Testament should be filed in Will Book 86, Page 632. 11/18/2024	P001511-111824	Sharon Campbell	I represent a Buyer wishing to purchase Lot 8 Colonial Harbor Dr. The list agent provided an old plat map with a handwritten notation that says this lot is permitted for a septic system for a 3 bedroom home. Can you pls provide any additional information that backs up this handwritten notation? We would like to present an offer asap. If septic records are not found, it is our understanding we would (1) need a soil test performed, and then (2) based on those findings, be able to apply for a septic permit. If this is not correct, then what steps need to occur? Thank you for your help	11/19/2024

I am needing to find the VIN for the home and have a title re-created so I can donate it to an affordable housing group. I purchased the home and land via a REO auction in 2014, at which point the home had already been de-titled. A physical title for the home has never existed during my ownership. This is the first time I've gone through this process, so please advise me of anything I may need to achieve this goal. Thank you</p>	12/4/2024

There is a Quitclaim Deed filed in 2024 to Mr. Morton's son, Jackson Morton, but according to Mace Morton's obituary, he has three adult children, so a copy of probate docs should provide us with the information needed to insure the current transaction. Note: I selected to receive electronic copies via customer portal, but I am not a customer and do not have access to the portal. Can the copies be emailed to me at stephanie.barnes@wltic.com?
