RE: Comprehensive Plan for Growth Management & Development

DATE: September 29, 2022

Requesting the use of fund balance to appropriate additional funds for a Comprehensive Plan for Growth & Development for Blount County to aid in planning for future growth.

A request for proposal has been completed and a vendor has been selected. The anticipated cost for this study was \$95,000 pending negotiation of final deliverables with the vendor. This appropriation was approved with Resolution No. 22-09-002. An additional \$25,000 is requested to fully fund the study to include multiple committee meetings and school impact.
