Memorandum

TO: Blount County Board of Education

FROM: Sherard Orange, Buyer

DATE: May 6, 2026

SUBJECT: RFP No. 2026-0095 HHS & WBHS Track Reconstruction for Blount County Schools

On behalf of Blount County Schools a competitive Request For Proposal was conducted to secure vendor(s) to provide track reconstruction for both Heritage High School and William Blount High School. The projects included (3) Trade packages; Package #1 material removal of concrete, track base, asphalt and the base rebuild. Package #2 was for track surfacing, and striping, furthermore, Package #3 was for fencing.

Vendors could respond to each trade package individually or as a full project proposal. Five (5) vendors responded with proposals for HHS & WBHS Track Reconstruction Services for Blount County Schools:

- Baseline Sports Construction, LLC
- Beynon Sports Surfaces, Inc
- Conica USA Polytracks, LLC
- Hellas Construction, Inc.
- Nationwide Turf Installation, Inc.

All proposals were found responsive and responsible. Please see the attached RFP scoring tabulations. Upon review of the scores for the three project trade components, reference checks, and confirmation of required documentation by the Purchasing Dept and Athletic Surfaces Plus, LLC. The recommendation is to tentatively award, pending county commission approval, for the following vendors; Nationwide for trade package #1 Benyon for trade package #2, and Conica for trade package #3.

Upon receipt of your agreement with our department's recommendation, an Award Letter will be issued.
