RE: Roof replacements for UGM Concession Stand & Porter ES Portable Building

1. Proposal (what is the new item/service being requested) Replacement of the
Union Grove Middle concession stand roof and the Porter Elementary School
portable classroom roof. Current roofs are leaking and in need of total

for each location. Includes a 50-year manufacturing defect limited warranty,
a 15-year wind limited warranty, and a 10-year workmanship warranty.
2. Current Operations (how are operations without the request and impact if not funded)
Roofs will continue to deteriorate increasing the risk of water damage and
replacement cost will continue to increase as shown by the price escalation
verbiage included in each quote.
3. Impact if funded (provide summary if the request is approved) Notice to proceed
will be immediately granted to repair the roofs as soon as possible.
