				<p>advised by phone that no probate estate is currently found on file in Blount County for Charles Edward Cope. I respectfully request written confirmation of that fact if available, including confirmation of the search parameters used (name and approximate date range). BACKGROUND / ADDRESS CONTEXT: At the time of both deaths, the family resided on historically contiguous family land in the Rockford, Tennessee area. Due to the county line crossing the original tract, portions of the land fall within Blount County, with adjoining portions in Knox County. The family address at the time was commonly referenced as Route 257, Rockford, Tennessee. Due to later address renumbering, the Blount County portion of the land is now addressed as: 4125 Blazier Road, Rockford, TN Blount County Parcel: 010-022.00 (Approx. 1.5 acres) The Knox County portion (addressed as 2721 Blazier Road) is included here only for historical context regarding the original tract and address renumbering. REQUEST: Please advise regarding: • availability of the requested probate records • applicable copy or certification fees • preferred method of payment (I understand personal checks are not accepted) If no records exist beyond those described above, I respectfully request confirmation of that fact. Thank you for your time and assistance.</p>

This unique address helps me organize my requests, so please use it exactly as shown: recordrequest+37569+1768975752793@govre cordrequest.com</p> <p>Records requested: Please send the final and compiled bid tabulation (bid tally), including all quantities and unit pricing for each bidder, for 'Lawn Care Services for Blount County Schools Regions I & III' that was submitted on 05/13/2025. I believe the project number is '2025-0094', but I could be mistaken. If so, please use the project name and date to lookup the responsive documents. We specifically request the line-item bid tabulation showing each material, quantity, unit, and unit price for every bidder. If no such line-item tally was created, please provide the full bid submissions from each contractor. A grand total sheet alone is not sufficient to satisfy this request unless it was a lump sum bid. 				<p>interest justification is as follows: Bid tabulations obtained through this request are made publicly available at no cost. This ensures that taxpayers, businesses, journalists, and policymakers have free access to procurement data that impacts public funds. Transparency and accountability: Publicly available bid results help prevent overpricing, bid-rigging, and favoritism in public contracts. Support for small businesses: Many firms, especially small and minority-owned businesses, rely on bid history to compete fairly in government contracting. Cost savings for taxpayers: Open access to bid tabulations promotes competition, leading to more cost-effective government spending. Attestations: I am a citizen of the United States, resident of Tennessee, and affirm my full name and contact information is true and correct. I have not been convicted of any indictable offense under the laws of any state whatsoever nor the United States. I, or another person, will use the requested government records for a commercial purpose. I am not seeking records in connection with a legal proceeding. Compliance Matters: Should you need it to establish residency, my Tennessee ID is attached. Should you need it, my mailing address is 66 Main St #55, Farmingdale, NJ 07727, and my phone number is (732) 444-7051. For any compliance matters or other questions *not related* to the responsive record, please email our general counsel at legal[at]govrecordrequest.com. 1/22/2026	P000168-012226	Jill Barbee	Circuit Court & General Sessions	<p>Dear Sir or Madam,</p> <p>About a week ago, I asked whether your office maintains any historical records for our home at 601 Self Hollow Road in Rockford, Tennessee. The property was originally constructed by Robert and Wilma Leyen. Unfortunately, your search returned no records responsive to our request. Since then, I located a newspaper article dated October 19, 1970, reporting that the Leyens filed suit against Maryville builder Floyd Dunn. According to the article, the Leyens alleged that a fireplace constructed by Mr. Dunn collapsed and injured Mrs. Leyen on January 26, 1968. The suit was reportedly filed on November 29, 1969. The Blount County Circuit Court initially ruled in favor of Mr. Dunn on a statute of limitations defense, but the State Court of Appeals reversed, ordering a new trial. The article further noted that several additional suits between the parties were pending in the Blount County Chancery Court. I am writing to ask whether your office is the custodian of older Blount County Chancery Court (and/or Circuit Court) records from that period. If so, I would appreciate guidance on how to request copies of any pleadings, orders, or related filings associated with the Leyen-Dunn litigation. If your office does not maintain these records, I would be grateful if you could direct me to the appropriate department, archive, or repository. Please let us know of any reasonable costs or fees associated with locating, retrieving, copying, or scanning records. We are happy to cover those expenses. Thank you very much for your time and assistance. I appreciate</p>	Yes

2/27/2026	P000489-022726	Marlee Logan	Records Management	I am researching the probate and/or will of Henry Logan, born around 1777 and deceased before 7 July 1845. The last record I have found that he was alive was the 1840 census. I have found estate papers that reference his will, but I have not been able to locate the will itself. I did find documentation indicating that John Gaut was appointed executor on 7 July 1845, and in August, there is an estate distribution that appears to be based on Henry's will. I've attached the records I did find. Any assistance or guidance in locating Henry Logan's will or related records would be greatly appreciated.	Yes

3/17/2026	P000648-031726	Crystal Dixon	Register of Deeds	I am looking to get public property deeds on three different properties. The first being mine at 1422 Beaumont ave Maryville tn 37803. The next two are properties that meet. I need the property lines and any public deed information/public surveys if possible. The addresses that meet are 4225 Floyd Lambert rd Maryville tn 37803 owned by Darrell and Ann Herron. The other address is 1719 old piney rd Maryville tn 37803 and it is owned by Herbert Yearout. The old piney address is for sale and I'm basically needing to solidify property lines please. Thank you for all your assistance! Property deeds going back to 2000 should cover that old piney address. The 4225 Floyd Lambert goes back to 1994 and the 1422 Beaumont goes back to 1990. There has not been many transactions as far as possession/transfers so hopefully it's only two each. Please let me know if I can be of any assistance, I think I included it all!	Yes

3/30/2026	P000761-033026	Sheryl Long	Chancery / Clerk & Master	I'm not positive of that date, but I believe it to be correct. I have a sloppy copy of my divorce and would like an official record for my files. Also, I was told that my former husband had more than one restraining order against him. I know of one in relation to his former wire, Sharon Long Landis. Where can I find out if he has other orders against him - or DID? The time frame for the protective orders would be between 2011 and 2016 I believe. I'm not sure how long his divorce to Sharon took but know she had one against him for stalking, I was told by another woman that he had others. So, I believe it would be after his divorce to Sharon and before his marriage to me - which was November 7, 2015.	Yes
