I'm requesting the transcript or audio recording from the July 11, 2025 hearing for case 5GS1-2025-CR-62040 involving Donna R Cash. I'm a concerned family member of someone affected by this case and would like to understand what was said during the hearing. Please let me know the process and any fees involved. If the transcript isn't available is there someone that I can call to discuss this information. My brother has mental disabilities, he is "low functioning" and is currently in a relationship with the person listed in this case. Chancery / Clerk & Master	11/5/2025	P002690-110525	Sue Street	Good morning! In doing a title exam, I've run into conflicting information that would involve a probate---if one was filed. The decedent is Carolyn O Pearson a/k/a Carolyn Orick Pearson. She died 07/07/2010. One source tells me a probate was filed for her; another source tells me she left a will, but it was not probated. It might be that someone came in to initiate probate, but did not carry it out. Please check to see if a probate was in fact filed for Ms. Pearson. If so, please send me copies from her probate file---if it's not too large, send what you have. If too large, please send a copy of her will, the petition to open probate, the proof of publication, the death certificate (if one was presented), the Non-Tax certificate, the TNCare release, and, if closed, a copy of the Order closing the estate. If the estate remains open and there have been claims made, please send copies of any claims along with any releases of claims. I don't believe probate was opened, but I'm required to verify it. Thank you! Sue	Yes

Records Management	11/8/2025	P002726-110825	Carol Mehochko	In July 2006, I married a man named Justin Michael Schwamm, Jr. in Los Angeles, CA. While we did become estranged over time, we were still legally married. Recently, through social media, I learned that he potentially died in June 2024. I was shocked to find this out as no one had notified myself and we do have shared credit card that I no longer use, however, I have noticed that payments are still being made. His last known city of address was Maryville, TN. Is there any way I can receive a copy of his death certificate to verify that this passing has occurred? I would need it as I have recently retired and I have to confirm that no one else can hold claim to my benefits.	Yes

Finance	12/11/2025	P002975-121125	JP Balmaceda	<p>Hi Public Records / Parks & Recreation / Finance Department, Good day! My name is JP Balmaceda, and I'm reaching out on behalf of my boss, who is conducting a research project on municipal revenue generated from sports facility rentals. We reviewed your department's budget, but we are specifically interested in the actual rental revenues – ideally itemized by facility type and location, if available. Would you be able to share any financial summaries or reports that show Parks & Recreation rental revenues broken down by category (for example: athletic fields, shelter houses, community centers, golf courses, and special events)? If possible, we would appreciate figures covering January 1 to December 31 of the most recent complete fiscal year (01/01/24 - 12/31/24). If fiscal year 2023 or earlier years are available, that information would also be extremely helpful. For awareness, I am not a Tennessee resident as I currently reside in Columbus, Ohio; however, we hope the requested information can still be provided. We are happy to receive the data in whichever format is easiest for your team – spreadsheets, financial summaries, or internal revenue reports. If there is a more appropriate contact or department for this request, please feel free to forward this message or let me know. We are also happy to clarify or narrow the scope as needed. Thank you very much for your time and assistance. Warm regards, JP Balmaceda</p>	Yes
