Dear Commission Members:

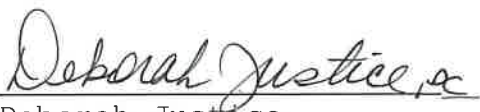

Due to the filing of amended Occupancy Tax Returns by Whispering River Resort, for the taxable periods of January 2023 through May 2023, this company is due a refund. The amended returns were filed in our office on October 30, 2023. Their campground management software package caused the gross receipts to be overstated and subsequently their monthly occupancy tax reports were incorrect.

We respectfully request the commission approve a refund in the amount of \$ 6,290.93, to reimburse them for their overpayment. Please mail their refund check to:

Whispering River Resort

Good Morning:

Thank you for sitting down with me and reviewing our account. As I mentioned, our campground management software package was upgraded at the end of the year, as a result we were misconfigured, thus our financial reports were inaccurate when we reported our first five months of hospitality tax. You have our full reports and the detail, in summary we overpaid each month in the following amounts:

- January - \$157.49
- February - \$1,038.36
- March - \$2,576.45
- April - \$2,128.29
- May - \$390.34

Total : \$6,290.93

We would like to request a refund at your earliest convenience.

Thank you,
Scott
