Introduction

We are pleased to introduce the revised Blount County employee handbook. This handbook has been designed to outline and summarize basic personnel policies, employee benefits, employee responsibilities, and employee rights. This handbook is intended to be useful for all Blount County employees.

Blount County is committed to providing a quality workplace for employees. It is our goal to:

- Provide management that is skilled, fair, and concerned about the welfare of our employees.
- Equitably compensate each employee in accordance with our classification and compensation plan.
- Fill vacancies or new positions, where appropriate, by transfer or promotion from within the County.
- Discuss willingly and frankly any problems, complaints, or questions regarding County personnel policies.
- Keep employees informed of any changes that may affect them or their families.

This handbook revokes and supersedes all prior handbooks, amendments, and any policy or communication related to the employee handbook.

This handbook was developed to provide general guidelines regarding Blount County Government's policies and procedures for employees; however, this document does not contain promises to any employee regarding solutions to any particular situation. This document is a guide to assist employees in becoming familiar with the benefits and obligations of employment, including our policy of at-will employment. None of the guidelines in this handbook are intended to give rise to contractual rights or obligations, or to be construed as a guarantee of employment for any specific period of time or any specific type of work. These guidelines are subject to modification, amendment, or revocation by Blount County Government at any time, without advance notice.

It is the intention of Blount County Government to adhere to all State and Federal laws. Any personnel policy found to be in conflict with a State or Federal law will be changed to ensure compliance with the law.

Amendments to the handbook may be made periodically and communicated to all Blount County employees.

All questions pertaining to information found in this handbook should be referred to the Human Resources Department.

Policies for Employees of Elected Officials

Elected Officials have the jurisdiction to create, maintain, and administer additional personnel policies and procedures. In these instances, Elected Officials will provide the additional policies for their employees as required by T.C.A 5-23-103.

State and Federal Policies

Equal Employment Opportunity

Blount County maintains an equal employment opportunity policy and does not discriminate in hiring practices or terms and conditions of employment. All applicants and employees receive equal employment opportunities and all personnel decisions, actions, and conditions affecting employees, including, but not limited to hiring, assignment, transfer, promotion, and compensation, will be governed by the principles of equal opportunity.

Discrimination against any person in recruitment, examination, appointment, training, promotion, retention, or discipline because of political or religious opinions or affiliations or because of race, religion, national origin, sex, age, disability, veteran status, or any other category protected by law, shall be prohibited. The Human Resources Director has been designated as the Equal Employment Opportunity (EEO) Officer for Blount County. The EEO Officer has overall responsibility for the implementation and monitoring of the County's Equal Employment Policy.

No Harassment

The County does not tolerate the harassment of applicants, employees, customers, or vendors. Any form of harassment relating to an individual's race, color, sex (including same sex, sexual identity, or orientation), religion, age, national origin, handicap or disability, citizenship status, veteran status, political affiliation, retaliation for protected activity, or any other protected activity or category is a violation of this policy and will be treated as a disciplinary matter.

Violation of this policy may result in disciplinary action, up to and including immediate termination.

Employees with questions regarding what constitutes harassing behavior or what conduct is prohibited by this policy may discuss the questions with immediate supervisors. At a minimum, the term "harassment" as used in this policy includes:

- Offensive remarks, comments, jokes, slurs, or verbal conduct pertaining to an individual's race, color, sex, religion, age, national origin, handicap or disability, citizenship status, or any other protected category;
- Offensive pictures, drawings, photographs, or other graphic conduct or communications, including e-mail, faxes, and copies pertaining to an individual's race, color, sex, religion, age, national origin, handicap or disability, citizenship status, or any other protected category;
- Offensive sexual remarks, sexual advances, or requests for sexual favors regardless of the gender of the individuals involved;
- Offensive physical conduct, including touching, regardless of the gender of the individuals involved;
- Threatening an employee for refusing to respond to requests for sexual favors, for reporting a violation of this policy, or for participating in an investigation conducted under this policy.

Supervisors and managers are subject to this policy and are prohibited from engaging in any form of harassing conduct. No supervisor or other member of management has the authority to suggest to any applicant or employee that employment or advancement will be affected by the individual entering (or refusing to enter) a personal relationship with the supervisor or manager. Such conduct is a direct violation of this policy.

Harassment of our employees in connection with their work by non-employees also may be a violation of this policy. Any employee who experiences or observes any harassment of an employee by a non-employee should report such harassment to a member of management or the Human Resources Department.

Employees who believe that the No Harassment policy has been violated should promptly report the matter to their immediate supervisor, Department Head, or the Human Resources Department. Any actions believed to violate the No Harassment policy, no matter how slight the action may seem, should be reported.

Reported incidents will be investigated. Where appropriate, prompt disciplinary action, up to and including immediate termination, will be taken. The County will protect the confidentiality of employees making complaints about suspected violations of this or any other County policy, to the extent possible consistent with our investigation and applicable law.

Employees will not be penalized or retaliated against for reporting improper conduct, harassment, or other actions that are believed to violate this policy.

Blount County Government is serious about enforcing the No Harassment policy. Potential policy violations cannot be resolved unless reported. Employees are responsible for bringing concerns regarding possible policy violations to the attention of supervisors, managers, Department Heads, or the Human Resources Department so that appropriate action may be taken to address the concern.

Americans with Disabilities Act of 1990

It is the policy of Blount County Government that qualified individuals with disabilities will not be excluded from participation in or benefit from services, programs, or activities of the County. Blount County Government will not discriminate against a qualified individual with a disability in: the job application processes; the hiring, advancement, or termination of employment; employee compensation; job training; and other terms, conditions and privileges of employment. It is the intent of Blount County Government to comply with all applicable requirements of the Americans with Disabilities Act (ADA).

Reasonable Accommodations/Modified Job Duties

Blount County Government will reasonably accommodate persons with a disability. Such reasonable accommodations may include making facilities readily accessible to individuals with a disability, restructuring jobs, modifying work schedules, modifying equipment, or other similar accommodations. To assist employees who are or become disabled and those employees who suffer on-the-job injuries, Blount County Government will make reasonable accommodations to enable such employees to continue performing the essential functions of their jobs. Consistent with this policy, Blount County Government may modify job duties to comply with medical requirements or restrictions. Other

accommodations, such as a transfer to a vacant position for which the employee is qualified, may be appropriate, depending upon specific facts and circumstances of individual situations.

Obviously, there are limits to the accommodations which Blount County Government can reasonably make. When an accommodation would cause an “undue hardship” to the County or its employees, or that may threaten the safety of the requestor or others, the County would be unable to make that particular accommodation. Similarly, where placing an individual in a position, with or without accommodation, would create a direct threat to the employee or others, the County may be unable to place the employee in that particular position.

The Human Resources Department will engage in an interactive process with the supervisor and the requestor to determine if the workplace modification/accommodation will be granted or if an alternative modification/accommodation is appropriate.

Title VI of the Civil Rights Act of 1964

Blount County Government ensures compliance with Title VI of the Civil Rights Act of 1964; 49 CFR, part 21; related statutes and regulations to the end that no person shall be excluded from participation in or be denied the benefits of or be subjected to discrimination under any program or activity receiving federal financial assistance on the grounds of race, color, sex, or national origin.

Blount County Government also ensures compliance with Federal laws particularly applicable to language access included in Title VI of the Civil Rights Act of 1964, and the Title VI regulations, prohibiting discrimination based on national origin, and Executive Order 13166 issued in 2000 which applies to individuals who do not speak English, also referred to as limited English proficiency or LEP, as their primary language and who have a limited ability to read, speak, write, or understand English. These individuals may be entitled language assistance with respect to a particular type or service, benefit, or encounter. Many individual federal programs, states, and localities also have provisions requiring language services for LEP individuals. An Executive Order is an order given by the President to federal agencies. The LEP Executive Order (Executive Order 13166) states that people who are LEP should have meaningful access to federally conducted and federally funded programs and activities.

Executive Order 13166 requires all agencies that provide federal financial assistance to issue guidance on how recipients of that assistance can take reasonable steps to provide meaningful access consistent with Title VI and the Title VI regulations.

To report any complaints or to receive additional information about Title VI, contact the Title VI Coordinator, Misty Guge, at 865-273-5780 or via email at [mguce@blounttn.org](mailto:mguge@blounttn.org).

HIPAA (Health Insurance Portability and Accountability Act)

Blount County Government complies with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and follows guidelines involving the protected health information of employees and dependents.

Grievance Procedures Pertaining to State and Federal Policies

Equal Employment Opportunity Grievances

Any employee who has a concern regarding discrimination should utilize the following procedure:

1. Employees unable to resolve matter(s) with supervisors, or employees who are uncomfortable addressing matter(s) with supervisors for any reason, should bring the concern to the attention of the Department Head. If the matter(s) is not resolved, address the situation with the Human Resources Director.
2. Employees unable to resolve matter(s) with supervisors, or employees who are uncomfortable addressing the matter with supervisors for any reason, should bring the concern to the attention of the Human Resources Director.
3. Issues may be resolved via a meeting with the Human Resources Director. Where an investigation is in order, one will be conducted. Employees will be advised of the results and proposed solution. The complaint, investigation and findings will become part of the investigation record, which will be maintained separately from personnel files.
4. Employees who are dissatisfied with the results or proposed solution via meeting with the Human Resources Director may request a meeting with the appropriate Department Head/Elected Official. The decision of the Elected Official will be final.

No employee will be retaliated against for using this procedure to bring a good faith concern to the attention of management. Of course, intentionally making a false complaint or otherwise misusing this procedure can subject the offender to discipline.

Harassment Reporting

Employees who believe that the No Harassment policy has been violated should promptly report the matter in writing to their immediate supervisor. If the matter involves supervisors or managers, immediately contact the Human Resources Director via email at jjohnson@blounttn.org. Incidents previously reported and not addressed satisfactorily, should be reported to the Human Resources Director or the Department Head, in writing. Any actions believed to violate the No Harassment policy, no matter how slight the action may seem, should be reported.

Reported incidents will be investigated. Where appropriate, prompt disciplinary action, up to and including immediate termination, will be taken. The County will protect the confidentiality of employees making complaints about suspected violations of this or any other County policy, to the extent possible consistent with our investigation and applicable law.

Americans with Disabilities Request for Accommodations

Requests for reasonable accommodations due to a disability or on-the-job injury must be submitted in writing to the Human Resources Department. Requests for accommodations must be accompanied by the Request for Reasonable Accommodations form. Human Resources will contact employees

requesting accommodations to discuss and investigate requests. Blount County Government will attempt, to the extent possible, to reasonably accommodate requests for accommodations.

Title VI Complaints

Blount County Government ensures compliance with Title VI of the Civil Rights Act of 1964; 49 CFR, part 21; related statutes and regulations to the end that no person shall be excluded from participation in or be denied the benefits of or be subjected to discrimination under any program or activity receiving federal financial assistance on the grounds of race, color, sex, or national origin.

Blount County Government also ensures compliance with Federal laws particularly applicable to language access included in Title VI of the Civil Rights Act of 1964, and the Title VI regulations, prohibiting discrimination based on national origin, and Executive Order 13166 issued in 2000 which applies to individuals who do not speak English as their primary language and who have a limited ability to read, speak, write, or understand English.

Any individual, group of individuals, or entity believing that discrimination prohibited by Title VI non-discrimination provisions may file a written complaint with Blount County Government's Title VI Coordinator. A formal complaint must be filed within 180 calendar days of the alleged occurrence or when the alleged discrimination became known to the complainant. The complaint must meet the following requirements:

1. Complaint shall be in writing and signed by the complainant(s). Complaints must be submitted via email to the Title VI Coordinator, Misty Guge, HR Specialist, at [mguce@blounttn.org](mailto:mguge@blounttn.org).
2. Include the date of the alleged act of discrimination (date when the complainant(s) became aware of the alleged discrimination or the date on which the conduct was discontinued or the latest instance of the conduct).
3. Present a detailed description of the issues, including names and job titles of those individuals perceived as parties in the incident.
4. Allegations received by email and/or fax will be acknowledged and processed once the identity(ies) of the complainant(s) and the intent to proceed with the complaint have been established. The complainant is required to mail a signed original of the fax or email transmittal for Blount County to process.
5. Allegations received by telephone will be reduced to writing and provided to the complainant(s) for confirmation or revision before processing.
6. A complaint form will be forwarded to the complainant(s) to complete, sign, and return to Blount County Government for processing.

Upon receipt of the complaint, the Title VI Coordinator will determine the acceptability of the complaint and the need, if any, for additional information as well as investigate the merit of the complaint.

To be accepted the complaint must meet the following criteria:

1. The complaint must be filed within 180 calendar days of the alleged occurrence or when the alleged discrimination became known to the complainant.
2. The allegation(s) must involve a covered basis such as race, color, or national origin.
3. The allegation(s) must involve a program or activity of Blount County Government.

A complaint may be dismissed for the following reasons:

1. The complainant requests withdrawal of the complaint.
2. The complainant fails to respond to repeated requests for additional information needed to process the complaint.
3. The complainant cannot be located after reasonable attempts.

After the complaint is accepted for investigation, the complainant and the respondent will be notified in writing of such determination within seven (7) calendar days.

Respondents will have the opportunity to respond to the allegations in writing within ten (10) calendar days of the date of written notice of acceptance of the complaint.

A final investigative report and a copy of the complaint will be held on file by the Title VI Coordinator. Complaints will be provided to the appropriate agency, if any.

All parties involved will be notified in writing of the results of the investigation upon its completion.

If the complainant is not satisfied with the results of the investigation, an appeal may be filed with the Title VI Coordinator, in writing, within ten (10) calendar days of receipt of the final decision. Complaints must be submitted via email to the Title VI Coordinator, Misty Guge, HR Specialist, at [mguce@blounttn.org](mailto:mguge@blounttn.org).

Instances of fraud, waste, or abuse can be reported without fear of retaliation. The County will protect the confidentiality of employees making complaints about suspected violations of this or any other County policy, to the extent possible consistent with our investigation and applicable law.***

- Engage in any political activity while on duty.
- Use official authority or influence for the purpose of interfering with or affecting the result of an election or a nomination for office.
- Be required as a duty of employment or as a condition of employment, promotion, or tenure of office to contribute funds for political or partisan purposes.
- Coerce or compel contributions for political or partisan purposes from another employee of the County.
- Use any supplies or equipment of the County for political or partisan purposes.

Secondary Employment

Employees shall not engage in any outside employment which adversely affects work performance or creates a conflict of interest. If an employee is engaged in other employment, the employee must notify the supervisor in writing stating the name of the secondary employer, the nature of work or business, specific duties, and hours worked per week. Supervisors will send a copy of these statements to the Human Resources Department for placement in personnel files. If the supervisor believes there may be a potential incompatibility between the outside employment and County employment for any reason, the supervisor will submit appropriate recommendations to the Human Resources Director. The final decision will be made jointly by the Human Resources Director and the Department Head/Elected Official. At all times, employees will give first priority to the fulfillment of the requirements of the Blount County position. County work schedules will not be adjusted to accommodate non-County work schedules.

Nepotism

Members of an employee's immediate family will be considered for employment on the basis of their qualifications. Immediate family may not be hired, however, if employment would:

- Create a relationship whereby one immediate family member is within the chain of command of another;
- Have the potential for creating an adverse impact on work performance; or
- Create either an actual conflict of interest or the appearance of a conflict of interest.

This policy must also be considered when assigning, transferring, or promoting an employee. For this policy, immediate family includes spouse, parent, child, step-child, sibling, in-law, aunt, uncle, niece, nephew, grandparent, grandchild, and members of households.

Employees who become immediate family members may continue employment if it does not involve any of the above. If one of the conditions outlined should occur, attempts will be made to find a suitable position within the County to which one of the employees will transfer. If employees become immediate family members, Blount County Government will make reasonable efforts to assign job duties to minimize problems of supervision, safety, security, or morale. If accommodations of this nature are not feasible, the employees will be permitted to determine which of them will resign. If the employees cannot decide, the County will decide in its sole discretion who will remain employed, if either.

This policy does not apply to "immediate family" who already are employed by Blount County as of the effective date of this policy; this waiver, however, may not be used as a basis for further exceptions after the effective date of this policy.

Policy effective date 12/2006

Personal Relationships

Romantic or sexual liaisons that develop among employees in the workplace may be potentially disruptive to County business. The County will intervene and discuss romantic or sexual relationships with involved employees. Remedial measures, up to and including transfer or immediate termination may be taken if the County decides such action is in its best interest.

Managers or supervisors are expressly prohibited from dating or becoming similarly involved with any employee within their sphere of responsibility. In the event the County becomes aware of such a relationship, the supervisor or manager will be subject to immediate termination.

County Equipment

County equipment, materials, vehicles, and/or other resources assigned to employees shall be used with care and economy and shall be used only for County purposes. Waste or misuse of County resources may result in disciplinary action, up to and including termination.

County Vehicle Use Policy

The purpose of this policy is to ensure that County owned vehicles are operated in a safe manner and for their intended purposes only.

The term 'vehicle' shall apply to all passenger cars, light duty trucks, heavy duty trucks, emergency vehicles, construction equipment, or any other motorized/non-motorized rolling stock used by various County employees in the course of their duties.

General Use

Only authorized County employees shall operate County owned vehicles. Supervisors/Department Heads/Elected Officials must notify Human Resources and/or Payroll when a vehicle is issued to an employee for personal use (including commuting to and from work). Use of the vehicle is considered taxable income and must be reported.

Employees operating County owned vehicles must abide by all applicable motor vehicle laws.

Transporting non-County personnel in a County owned vehicle is prohibited except as follows:

- When required for legitimate County business.
- As provided in the personal use section of this policy.
- As part of a departmental ride-a-long program authorized by the Department Head or Elected Official.
- In cases of extreme emergency where the employee has a reasonable belief that the life, safety, health, or physical welfare of a citizen would be immediately threatened.

Employees driving County vehicles as a part of the job duties are required to maintain a valid Tennessee driver license with proper endorsements for the position.

Employees who are authorized to drive County owned vehicles must report any motor vehicle violations that result in a citation to their supervisor as soon as possible. This includes violations that occur in their own vehicle and not on County time.

No employee shall carry any concealed weapon in a County vehicle at any time unless:

- They have been authorized to do so by the County Sheriff, or
- They have been authorized to do so by the County Mayor, or their department's Elected Official or Department Head.

No employees shall carry alcoholic beverages, contraband, or other illegal substances in County owned vehicles. (Does not apply to law enforcement units conducting undercover operations or transporting evidence.)

Personal Use

Personal use of County owned vehicles is prohibited except for the following:

- Personnel whose duties primarily involve operation of County owned vehicles at locations which make it inconvenient or inefficient to access their personal vehicles, may use their assigned County owned vehicles for routine personal activities such as traveling to lunch, or other infrequent or incidental short term stops so long as this privilege does not significantly interfere with their assigned duties or otherwise become abused.
- In cases where there is no convenient means of transportation available, employees assigned take home vehicles may request permission from the County mayor, Department Head or Elected Official to transport members of their household to and from school, work, and other necessary destinations so long as it does not significantly impact the employee's duties, cost of operating the vehicle or significantly increase the County's exposure to liability.
- Employees who have been granted permission to use a County owned vehicle for out-of-town travel for County business, may allow members of their household to accompany them as passengers if they have properly obtained permission from their Department Head or Elected Official.
- Tobacco use in County owned vehicles is prohibited.
- Personal use (including commuting to and from work) of County owned vehicles is considered taxable income and must be reported.

Blount County Government reserves the right to monitor the usage of County-owned vehicles, with or without the knowledge or consent of the employee to whom the vehicle is assigned.

Accident Reporting

County employees who are operating a County owned vehicle and are involved in an accident must do the following:

- Ensure their personal safety and those involved in the accident to their best ability.
- Notify the law enforcement agency having jurisdiction in the location of the accident.
- Notify supervisor(s) of the accident as soon as reasonably possible.

Classification and Compensation

For additional information regarding classification and compensation, please refer to the Compensation Policies available at <https://www.blounttn.gov/158/Human-Resources>.

Introductory Period

All new employees will be considered on “introductory” status for the first six (6) months of employment. At the end of the regular introductory period, the Department Head can elect to *remove the introductory status or extend the introductory period*. During the introductory period, the full-time employee will accrue sick days at the stated rate but will not be eligible for vacation days until successfully completing six (6) months of consecutive employment. Successful completion of an introductory period does not alter the employee’s at-will status.

Employment Terms

- “Full-Time Regular Employee” is defined as an employee who works at least thirty (30) hours per week on a regular and continuous basis throughout the calendar year. The single word “employee” will be used to designate a full-time or regular employee on leave policies.
- “Part-Time Regular Employee” is defined as an employee who works twenty-nine (29) or fewer hours per week on a regular and continuous basis throughout the calendar year.
- “Temporary Employee” is defined as an employee who is engaged to work either full-time or part-time with the understanding that their employment will terminate upon the completion of a specific assignment. These employees may be “exempt” or “non-exempt” as defined below.
- “Exempt Employee” is defined as an employee who is not required to be paid overtime, or receive comp time in accordance with federal wage and hour laws, for hours worked over forty (40) in a workweek. Executive employees, professional employees, and certain employees in administrative positions are typically exempt. However, classification of a position as exempt is made on the basis of comparing actual job duties with criteria established by the Department of Labor.
- “Non-exempt Employee” is defined as an employee who is required to be paid overtime or receive comp time at time and one-half of their regular rate of pay, in accordance with federal wage and hour laws, for hours worked over forty (40) in a workweek.
- “Intern” is defined as a student or trainee who works, with or without pay, at a trade or occupation in order to gain work experience.

Internships

Blount County Government periodically employs student interns for periods when they are not in school. The purpose of this policy is to outline responsibilities and to ensure interns have a productive stay with the County.

Procedures

Authorization: Hiring managers who plan to add interns for specific assignments must provide the following information in writing to the Human Resources Department:

- hours of work
- duration of the expected work
- Pay rate, if applicable

- Completion of Internship Acknowledgement Form

Facilities department notification: The Hiring Manager will notify the Risk Management and IT Departments to coordinate access to the building(s) as well as work station(s), telephone, and Internet access prior to the intern's start date.

Department orientation: Each intern will be provided with an in-depth review of department functions and activities and the interaction of these activities with the work the student worker will be performing. The department review will be conducted by the department manager and team leads during the first week of employment.

Final report and out-processing: In the week in which an intern's assignment ends, the department manager will provide a final progress report to the educational institution the student attends. The department manager will also ensure the return of any County equipment including access badges or keys and return these items to Risk Management and notify Human Resources when the intern's assignment has ended.

Employment at-Will

Blount County Government is an at-will employer and as such there is no specific length or guarantee of continued employment. The employee or the County may terminate employment at-will, without cause or prior notice, at any time. None of the County's policies may be construed as creating a contract of employment or any other legal obligation, express or implied, and any policy may be amended, revised, supplemented, rescinded or otherwise altered, in whole or in part, at any time, at the sole and absolute discretion of Blount County.

Pay Periods

All employees are paid biweekly on every other Monday. Some pay dates may occur earlier due to holidays. In this instance, payroll checks will be issued the Friday before the holiday. All employees are paid in arrears, one week after the end of the pay period.

Job Titles and Pay Structure

For additional information regarding classification and compensation, please refer to the Compensation Policies available at <https://www.blounttn.gov/158/Human-Resources>.

Overtime Compensation/Compensatory Time

No overtime or compensatory time will be earned until the employee has worked on the job over 40 hours during the workweek.

- *Overtime/Compensatory Time:* All eligible employees may be paid overtime or given compensatory time for all work performed over 40 hours during the workweek.
- *Overtime Rate:* Hourly rate employees who work overtime will receive overtime pay at a rate of time and one-half their regular hourly pay. Salaried employees who are eligible will receive overtime pay at a rate of time and one-half their equivalent hourly rate (the salaried employee's equivalent hourly rate is calculated by dividing his/her annual salary by 52 weeks and dividing that number by the number of hours in a normal workweek.) The overtime rates for both

hourly and salaried employees apply only to those hours worked over 40 during a week. For salaried employees, no additional compensation will be paid for hours worked under 40. For hourly rate employees, the overtime rate will apply only to hours worked over 40 and the regular rate will apply to hours worked up to 40 hours.

- *Selection of Compensatory Time:* Employees who are required to work more than 40 hours per week may request to receive compensatory time off in lieu of overtime pay. Such requests must be submitted in writing to supervisors. Such compensatory time shall be earned at a rate of one and one-half hours for each hour of employment worked over 40 hours per week. Compensatory hours are calculated by Kronos, the County's timekeeping system. Compensatory hour totals available to an eligible employee can be viewed on the "Accruals" tab located at the bottom of the employee's time sheet. The Accrual total reflects the actual number of compensatory hours (time-and-one-half) available to the employee. In the event of termination of employment, all earned and unused compensatory time will be paid. An employee cannot accrue more than 240 hours of compensatory time. Any employee who has accumulated 240 hours of compensatory time shall be paid for any additional overtime that is worked. An employee who has accrued compensatory time upon termination of employment will be paid the greater of the average regular rate the employee received during the last three years, or the final regular rate of pay received by the employee. The use of compensatory time is subject to approval by the Elected Official/Department Head. Requests to use compensatory time will generally be approved provided the use of the compensatory time does not unduly disrupt the operations of the department.

Working during Lunch Periods

Lunch period is time set aside for eating. The time is not considered part of the basic workday and no pay is earned during this period. Employees must clock out for the lunch period in Kronos. Employees must do no work during the lunch period.

A workday may not be shortened by "working through" or reducing the lunch period on a voluntary basis. Eliminating or reducing your lunch period requires prior approval from your immediate supervisor. Such approvals must be limited and will typically be for one day due to unusual or special circumstances. Working through the lunch period is not to be used as an on-going solution for scheduling issues.

Working Before/After Regular Hours

Employees may not voluntarily begin work early, work after hours, or extend the workday for the purpose of accumulating compensatory time. Prior approval from immediate supervisors is required for any adjustment to the work schedule. For most employees, the workweek is 37.5 hours totaling 75 hours per pay period. ANY flextime must be addressed during the SAME PAY PERIOD. For example: An employee works 35 hours in week one of the pay period creating a 2.5-hour deficit for the pay period. The employee may work 40 hours within the next week to cover the deficit, or use personal, vacation, sick or compensatory hours to total 75 hours for the pay period.

General Personnel Policies

Attendance

All employees of Blount County Government are committed to providing the highest level of government services and functions to better serve the community. To accomplish this, prompt and regular attendance is required.

It is required to speak directly to the supervisor if an illness or injury that would prevent an employee from reporting to work at the scheduled time occurs. If the supervisor is unavailable, employees are required to speak directly to the next-level manager or director, or to the person designated by the supervisor. Text messages are not considered an appropriate means of notification of an absence and will not be accepted as such.

All employees are expected to be in the workplace at the scheduled time the shift begins. Employees will work in accordance with their scheduled start and ending time and must not work alternate times without supervisor's authorization.

Failure to provide notification of an absence may result in removal from the payroll as having resigned without notice. Employees who resign under such circumstances may be deemed ineligible for rehire.

Work Hours and Time Records

The normal workweek consists of 37.5 hours or 40 hours depending on the job classification and work location. Core business hours are from 8:00 am to 4:30 pm. Some jobs may require other hours of service. In such cases, the immediate supervisor will inform employees of the scheduled work hours.

The County uses Kronos as its time collection and time management tool. All employees will use Kronos to record time worked and request time away from work. All employees are assigned a Kronos user ID and should set up a password to the system.

All hourly employees will utilize Kronos for timekeeping purposes. Each employee should clock in at the beginning of each shift; clock out to go to lunch; clock in to return from lunch and clock out at the end of the shift. It is important to ensure that all hours worked by non-exempt employees are accurately recorded.

Employees may not log in or out of Kronos for another employee. It is the responsibility of each employee to report his/her time worked, meal periods and/or time off accurately and completely for each pay period. Employees cannot correct errors related to their timecard. If a correction is necessary, the employee must notify the supervisor to ask him/her to make the changes.

Employees should request time away from work through the My Information page in Kronos. Requests will then be sent electronically to supervisors for approval.

Any employee willfully falsifying a time record will be subject to immediate dismissal. A workday may not be shortened by "working through" or reducing the lunch period on a voluntary basis, nor may employees voluntarily begin work before or after regularly scheduled hours for the purpose of

accumulating compensatory time. Every adjustment to the work schedule requires advance approval from supervisors.

Canvassing or Solicitation

Non-employees are not permitted to solicit verbally or by distribution of written material to Blount County employees or the general public for commercial purposes during work hours in work areas.

Solicitations by Blount County employees made to other Blount County employees are permitted only in non-work areas and during non-work hours.

Non-work areas include lobbies, hallways, elevators, stairs, sidewalks, parking areas, patios, lunchrooms, or other areas not regularly scheduled for work activities. Non-work hours include before and after scheduled work hours, lunch periods, and approved breaks.

Employees or outside charitable organizations who wish to solicit Blount County employees for charitable purposes or to schedule activities in Blount County offices, must submit a written request to the County Mayor. The request must be approved by the County Mayor.

Inclement Weather

Blount County Government recognizes the fact that inclement weather and other emergencies can affect the ability to open for business and the employee's ability to report to work. All potential emergency situations cannot be foreseen and cannot be addressed by this policy.

Absences due to inclement weather require employees to make a personal judgment pertaining to safety in traveling to and from work. Loss of work time for this reason is charged to accrued compensatory time or annual leave. If no compensatory time or annual leave is available, the time is charged as leave without pay. If an employee makes the effort to report on time and actually reports within a reasonable period of time (based on the circumstances of the event), he/she will not be required to use leave time for the absence. Supervisors will determine if accrued leave must be used for late arrival. If the decision is made to close Blount County Offices, full-time employees will be paid for such time off and part-time employees will be paid for the scheduled hours on days when inclement weather closes offices.

In the event of inclement weather, the decision to close will be made on a case-by-case basis by the Blount County Mayor's Office, in collaboration with the Blount County Sheriff and Blount County Highway Superintendent. This decision will affect the Courthouse and other general County offices, with the exception of the Judges/Courts. The court system (including all Court Clerks) will make its own determination and announcement separately.

Fortunately, emergencies and inclement weather days are infrequent and, as always, the safety of our employees and citizens will be of paramount importance. The determination relative to closing will be made as soon as it is deemed to be reasonably necessary. Blount County Government will make every effort to remain open.

Closing/delayed opening information will be given to the three major television stations (WBIR, WATE, and WVLT) and WIVK (FM 107.7) as soon as it has been determined. Department Heads or their

designees may determine closing for departments that work evenings and/or weekends (i.e. Library). If you have any questions about an official closing, you should contact your immediate supervisor.

Telecommuting/Temporary Telecommuting

In the event of an emergency such as a weather disaster or pandemic, the Blount County Government may allow or require employees to work from home temporarily to ensure continuity of County business. For more information regarding telecommuting, please contact the Human Resources Department.

Personnel Files

Tennessee law requires that "all state, County, and municipal records ... shall at all times, during business hours, be open for ... inspection by any citizen of Tennessee." The statute applies to personnel records and allows employees to review personnel files, as well as allowing any member of the public to do so. (Medical records are not part of the personnel file.)

There is, however, restricted access to certain types of employee information. The following records of government employees will not be open for inspection by members of the public:

- unpublished telephone numbers;
- bank account information;
- social security numbers;
- driver's license information - unless driving a vehicle is part of the employee's duties or incidental to the performance of the job;
- the same information about an employee's immediate family;
- any information relating to an employee's disability status or requests for job-related accommodations due to a disability.

The personnel files are maintained in the Human Resources Department.

It is important that any change in personal information is reported promptly to the Human Resources Department. Other records, such as educational accomplishments, should also be reported as they are factors in consideration for future promotional opportunity. Be sure that the Human Resources Department always has:

- Correct address and contact numbers such as telephone, cellular phone, etc.;
- Marital status;
- Increases or decreases in number of dependents;
- Any change affecting Social Security records;
- Correct beneficiary information.

Performance Evaluations

Managers will conduct formal performance evaluations periodically throughout the year. These evaluations should occur annually on or near an employee's anniversary hire date. The supervisor makes a rated evaluation based on the following competencies:

Job knowledge
Customer Service
Teamwork/Collaboration
Communication

Interpersonal Skills
Performance
Outcome orientation
Reliability

For supervisors:

Leads/Develops/Recognizes Staff
Job Knowledge/Accountability

Salary increases are available at the beginning of each fiscal year, with approved funding by County Commission, to those employees who receive an acceptable performance score of 3.0 or higher and have satisfied the appropriate introductory period.

Bonus Policy

From time to time and depending on the availability of funds and other factors, the County may provide incentive compensation to certain employees. To be eligible for the bonus payment, an employee must have completed the introductory period and be on the payroll at the time the bonus is paid.

All bonus award recipients must meet the following general criteria:

- The employee's accomplishments exceed the normal standards/expectations for the job;
- The employee has fulfilled all normal job duties in addition to performing added duties to accomplish a special project or achieve a certain goal;
- The employee serves as a role model for others, displaying desirable characteristics such as outstanding customer service, positive attitude, team leadership, etc.;
- Length of service--A commitment to the County by their long-term service.

Decisions regarding the amount of a lump-sum bonus must be dependent upon the nature and complexity of the accomplishment(s) and the ability of the department to fund the payout. Managers should clearly communicate to the recognized employee(s) what outstanding achievement(s) led to the bonus recognition. The payment will be taxed at the federal withholding rate established by the IRS, in addition to other required taxes. A letter of commendation will be placed in the personnel file of employee(s) receiving a bonus, recognizing the accomplishment(s) of the employee(s).

The Bonus Plan is provided at the discretion of Blount County Government. The fact and amount of any incentive compensation are within the sole and absolute discretion of the County.

Discipline Procedure

In cases where an employee displays inappropriate conduct or poor performance--and the circumstances do not warrant prompt dismissal from employment--Blount County generally employs a progressive discipline process. If the circumstances and seriousness of the offense dictate, an employee may be promptly terminated without implementing the progressive discipline procedure. Misconduct that involves dishonesty, violations of the law, violations of County policies or violations that involve serious risk to the County's operation or the safety or well-being of oneself or others is grounds for immediate termination of employment. The facts and circumstances of each case will determine what actions up to and including termination from employment is appropriate. ALL forms of discipline MUST be documented by the Supervisor/Department Head/Elected Official and provided to Human Resources for placement in the employee's file. This documentation must include time, date of the meeting with the employee, signatures of the employee and the Supervisor/Department Head/Elected Official, and where appropriate, the performance issue and a Performance Improvement Plan. Although the County typically prefers to utilize the steps below, the County reserves the right to employ any level of discipline that it considers appropriate under the circumstances.

- Verbal - The first step is often a verbal warning from the supervisor which identifies the issue and the corrective action needed from the employee. The supervisor documents this step by providing appropriate documentation to the Human Resources Director for review and placement in the employee's personnel file. The employee may submit a statement for the file, if desired.
- Written - The second step is often a written warning, which appropriately describes the issue and the corrective action needed. The written warning will be discussed with the employee, and a copy of the warning will be sent to the Human Resources Director for review and placement in the employee's file. The employee may submit a statement for the file, if desired.
- Adverse Action - If previous attempts at correction have not been successful, the County may take a form of adverse action such as suspension, demotion, or termination. Adverse actions must be approved in advance by the Department Head/Elected Official and/or Human Resources.

Personal Cell Phone Use

Personal phone calls or text messages during working hours distract employees from job responsibilities and may be disruptive to coworkers. Employees should limit the placing or receiving of personal phone calls during working hours to those required in emergency situations. Employees are expected to inform friends and family members of this policy and will be held accountable for their actions under the disciplinary procedure. Any information pertaining to work conducted from a personal device may be subject to subpoena or open records request(s).

Involuntary Separation of Employment

Employment with Blount County Government is employment "at-will" and, as such, can be terminated by either party at any time, with or without cause. Terminations of employment initiated by the County are considered involuntary. ALL involuntary terminations should be approved by the Human Resources Department and the Department Head/Elected Official prior to the termination of employment.

At the time of termination, employees will be advised regarding final pay as well as benefit termination and/or continuation. ALL County owned property must be returned at the time of separation. Such

property includes keys, cellphones, laptops, identification cards, etc. Employees who are terminated involuntarily will NOT be paid for any earned but unused vacation.

ANY employee whose employment has been involuntarily terminated for cause (egregious offenses such as theft, ethics violations, etc.) will NOT be eligible for rehire by any department within Blount County Government.

Basic Work Rules

The County has certain policies and rules to govern employee conduct and performance. The most important rule is to use "good sense" at all times. The County has established some basic work rules that must not be violated. Violation of these or similar rules may result in discipline up to and including immediate termination.

Absenteeism or Tardiness: When an employee fails to report to work as scheduled, it makes it more difficult to serve our citizens. Each employee plays an important role in our operation, and his or her absence or tardiness places an unnecessary burden on fellow employees. Employees are expected to report to work on time as scheduled, to limit breaks to the time allowed, and to stay on the job until the end of his or her scheduled workday.

Breach of Confidence or Security: Because of the nature of our work, we cannot tolerate any breaches of our security measures or confidential relationships.

County Premises: Except for areas that are open to the public, employees are allowed on County premises only during scheduled work hours, unless otherwise authorized by supervisor(s).

Damage to Property: A tremendous investment has been made in our facilities and equipment to better serve our citizens and to make jobs easier. Deliberate, reckless, or careless damage to the County's property, or property of others, will not be tolerated. If appropriate, damage to property will be reported to law enforcement agencies.

Discourtesy or Disrespect: The County expects all employees to be courteous, polite, and friendly to our citizens and others, and to fellow employees. No one should use profanity or show disrespect to a citizen or co-worker or engage in any activity which could harm our reputation.

Fighting, Threats, or Weapons: The County does not allow fighting, threatening words or conduct, loud or abusive language, or any other actions that could injure a citizen, fellow employee, or member of the public, regardless of where such words or actions occur.

Fraud, Dishonesty or False Statements: No employee or applicant may falsify or make any misrepresentations on or about any application, resume, document establishing identity or work status, medical record, insurance form, invoice, paperwork, time sheet, timecard, or any other document. Observation of such violations must be reported to supervisors immediately.

Gambling: Employees may not engage in any form of gambling on County premises.

Harassment: The County's No Harassment Policy, set forth in detail in this Handbook, strictly prohibits harassment based on race, color, religion, sex, national origin, citizenship, age, handicap or disability, or any other category protected by law.

Injuries and Accidents: Every injury, no matter how slight, must be reported immediately to supervisors for first aid treatment or medical care. In the event of a job-related injury or accident, a provider must be chosen from the County's panel of physicians. The County may require a doctor's release before returning to work.

Insubordination: All employees have duties to perform and everyone, including supervisors, must follow directions from someone. Employees must not refuse to follow the directions of a supervisor or member of management, unless the directions are unethical or a violation of policy. Unethical actions or requests and violations of policy must be reported to Human Resources. Employees witnessing unethical actions or being directed by their supervisor to carry out unethical actions or violations of policy may report those instances without fear of retaliation.

Leaving Early and Returning Late: Leaving early or returning late from breaks or lunch is prohibited. Leaving assigned work areas before quitting time to change clothes or make preparations to leave before the end of scheduled shifts is prohibited.

Misuse of Property: Employees may not misuse or use without authorization, any equipment, vehicle, or other property of customers, vendors, other employees, or the County.

Poor Performance: The County expects all employees to make every effort to learn the assigned job and to perform at a satisfactory level. Employees who fail to maintain a satisfactory level of performance are subject to immediate termination.

Shortages: Employees who handle cash as a part of assigned job duties will be held accountable and may be required to pay for all shortages. Employees who handle cash as a part of their job duties may also be disciplined for such shortages, up to and including immediate termination.

Sleeping or Inattention: To protect the safety of all employees and to properly serve our customers, employees must be fully alert while on the job. Sleeping or inattention on the job will not be tolerated.

Solicitation or Distribution: Solicitation by an employee of another employee during the working hours of either employee for any reason is prohibited. Distribution of advertising materials, handbills, or other literature is always prohibited in all working areas. Solicitation and distribution by non-employees is always prohibited on County premises.

Substance Abuse: Substance abuse will not be tolerated. Employees testing positive for the presence of drugs or alcohol may be subject to immediate termination. Possession, use, sale, manufacture, purchase or working under the influence of drugs, alcohol or other intoxicants will not be tolerated.

Theft: Stealing or attempting to steal County property, property belonging to others, or the theft of time through falsification of timecards is strictly prohibited. Any County property removed from the premises requires written permission in advance from supervisor(s).

Unlawful Activity: Employees should not engage in any unlawful or unethical activity, including, but not limited to activity either on County property, or off the job, since such activity can adversely affect the County's reputation and/or the employee's ability to effectively perform the duties of his or her position.

Unsafe Work Practices: Blount County Government is committed to providing a safe place to work. A safety program has been established to ensure everyone understands the importance of safety. This program requires all employees to exercise good judgment and common sense during day-to-day work activities. Horseplay and practical jokes can cause accidents and injuries and, therefore, are prohibited.

Violation of these or similar rules may lead to discipline, up to and including immediate termination.

Obviously, this list is not all inclusive and there may be other circumstances for which employees may be disciplined or terminated. Any questions regarding these rules, or expectations of employees must be discussed with supervisor(s).

Resignations

Employees choosing to resign any position should notify the immediate supervisor(s) or the Department Head in writing no less than ten (10) working days before the expected termination date. Failure to provide such a notice will be recorded in personnel files and may constitute ineligibility for re-hire. Employees resigning will NOT be paid for unused vacation/annual leave.

Retirements

Employees meeting the requirements for retirement from Blount County Government should notify the immediate supervisor(s) or the Department Head in writing with as much advance notice as possible for budgeting purposes. Employees retiring from service to Blount County may be paid for thirty days (30) days of accrued sick time and any accrued unused vacation days. Employees planning to retire must apply for retirement with TCRS online at <https://mytcrs.tn.gov/DPAS.WebUI.Internet/Common/Pages/Login.aspx> at least ninety (90) days prior to the planned retirement date. See *Employee Benefits* section for benefit eligibility after retirement.

Exit Interviews

Employees resigning or retiring from any position with Blount County Government will be asked to participate in an exit interview. Employees terminating employment with the County will receive an electronic questionnaire. After completion of the questionnaire, an in-person interview will be scheduled.

Reduction in Force

A reduction in force is the release of an employee due to lack of funds, curtailment of work, or reorganization. If a reduction in force becomes necessary, the County will make decisions based on the needs of the Department(s) affected and the job knowledge, skill, work performance and seniority of the employees.

Safety

Blount County is concerned with employee health and safety while performing job tasks. Employees must observe all safety rules and report any unsafe activity to the Risk Management Department. Any workplace accidents, incidents, or injuries must be reported immediately to your direct supervisor and the Risk Management Department. Although each employee may have an individual password to access Systems, the Systems belong to Blount County and the contents of the Systems and Electronic Communications conducted on the Systems are accessible by the County at all times for any business purpose. Social Media

Blount County understands that social media can be a fun and rewarding way to share events and opinions with family, friends, and co-workers. However, use of social media also presents certain risks and carries with it certain responsibilities. To assist employees with responsible decision-making pertaining to the use of social media, the following guidelines have been established. This policy applies to all employees.

In the rapidly expanding world of electronic communication, social media can mean many things. Social media includes all means of communicating or posting information or content of any sort on the Internet, including but not limited to:

- Social Networking Sites (Facebook, LinkedIn, Instagram, etc.)
- Microblogging sites (Twitter, etc.)
- Video and Photo Sharing Websites/Applications (YouTube, Snapchat, TikTok, etc.)

The term social media refers to the use of the web-based and mobile technologies that create interactive dialogue from communications. Social Media substantially changes communication between organizations, communities, and individuals because it is easily accessible.

Ultimately, employees are solely responsible for online posts. Before creating online content, consider some of the risks that are involved. Keep in mind that any conduct that adversely affects job performance, the performance of fellow employees or otherwise adversely affects citizens or Blount County's legitimate interests may result in disciplinary action up to and including termination.

Whether or not employees participate in social media, it is the policy of Blount County Government that employees who participate in commentary understand there are two levels of social media engagement:

- Official use - social media engagement on behalf of Blount County Government on sites where we have an official Web presence;
- Personal use - day-to-day use of social media sites by employees, not related to official duties. Employees must be mindful that while participating personally on social media sites. Personal posts are not representative of Blount County Government and must not be presented as such. Finally, employees must be aware that misconduct committed on a social media site may result in appropriate discipline.

Personal use of social media during working hours is frowned upon. The detection of personal social media engagement during working hours may result in appropriate discipline. When using social media, whether on behalf of Blount County Government or on their own time, employees are bound by the Blount County Code of Ethics.

Workplace Violence Prevention

Blount County Government is committed to preventing workplace violence and to maintaining a safe work environment. Given the increasing violence in society in general, Blount County has adopted the following guidelines to deal with intimidation, harassment, or other threats of (or actual) violence that may occur during business hours or on its premises.

All employees should be treated with courtesy and respect at all times. No one other than law enforcement officials in the course of their duties, may bring dangerous or hazardous devices or substance on the premises of Blount County Government.

Conduct that threatens, intimidates, or coerces another employee or a member of the public will not be tolerated. This prohibition includes all acts of harassment, including harassment that is based on an individual's sex, race, age, or any characteristic protected by federal, state, or local law.

All threats of (or actual) violence, both direct and indirect, must be reported as soon as possible to immediate supervisor(s) or any other member of management. This includes threats by employees, as well as threats by vendors, solicitors or other members of the public. When reporting a threat of violence, employees should be as specific and detailed as possible.

All suspicious individuals or activities must be reported as soon as possible to a supervisor. Employees should not place his-or-herself in danger. Employees seeing or hearing a commotion or disturbance in or around work areas should not try to intercede.

Blount County Government will promptly and thoroughly investigate all reports of threats of (or actual) violence and of suspicious individuals or activities. The identity of the individual making a report will be protected as much as is practical. To maintain workplace safety and the integrity of its investigation, the County may suspend employees, either with or without pay, pending investigation.

Anyone determined to be responsible for threats of (or actual) violence or other conduct that is in violation of these guidelines will be subject to prompt disciplinary action up to and including termination of employment.

Blount County Government encourages employees to bring disputes or differences with other employees to the attention of supervisor(s) or the Human Resources Department before the situation

escalates into potential violence. Blount County is eager to assist in the resolution of employee disputes and will not discipline employees for raising such concerns in a proper manner.

If a member has no accumulated sick leave at the time of assessment, the first earned day(s) will be donated as they are accrued by the employee.

By written notice to the Trustees, a member may withdraw from the Sick Leave Bank participation on December 31st. Membership withdrawal, however, will result in the forfeiture of all days contributed. Members of the Sick Leave Bank will be eligible to apply to the Bank for sick leave, only after having been a member of the Bank for thirty (30) calendar days.

Use of the Sick Leave Bank is restricted to illness, surgery or accident resulting in an absence of ten or more consecutive working days. Applicants may submit requests for an extension of such leave grants before or after prior grants expire. The maximum number of days any participant may receive in any fiscal year, which presently begins on July 1 and ends on June 30, is sixty (60). In the event a member is physically or mentally unable to make a

request to the Sick Leave Bank for use of sick leave days, any member of the immediate family or agent may file the request.

A physician's statement stating that the illness or accident will require more than a ten (10) day absence is required as a part of the application to receive sick leave days from the Sick Leave Bank. Also, a physician's statement of condition is required from any member requesting additional leave beyond the first twenty (20) days. Refusal to comply will result in denial of the pending request for use of sick leave days from the Bank.

Sick leave granted to a member from the Sick Leave Bank need not be repaid by the individual except at such time as it is deemed necessary to uniformly assess all members.

Grants of sick leave from the Sick Leave Bank will not be made to any members due to elective and/ or cosmetic surgery, normal pregnancies or normal periods of time away from work due to childbirth, illness of any member of the participant's family, or during any period the member is receiving workers' compensation.

A member will lose the right to obtain the benefits of the Sick Leave Bank by:

Sick leave used from the Sick Leave Bank shall not constitute creditable service for sick and annual leave accrual or for longevity purposes. The Board of Trustees may vote to expel any member if the member is found to have violated any of the provisions set forth herein.

Any member who receives Sick Leave Bank benefits using fraud or any misrepresentation of facts shall be liable for the reimbursement of all salary and benefits expended by the bank. In the event the Sick Leave Bank is dissolved, the total number of days on deposit shall be returned to the participating members and credited to their personal sick leave accumulated in proportion to the number of days each has contributed individually. Days returned under this section and credited to the individual participants accumulation shall be rounded to the nearest one-half (1/2) days.

All full-time regular employees may be granted a period of personal leave without pay wholly at the discretion of the Elected Official or Department Head.

Leaves of absence must be requested in writing to the Department Head/Elected Official. This request should be made enough in advance to provide supervisors sufficient time to assess workload and consider the planned leave of other employees. The Department Head/Elected Official reserves the right to deny or cancel leave of absence.

Elected Officials may elect to disallow leaves of absence within their department. Employees must verify the allowance of leaves of absence with supervisors within the department. If leaves of absence are allowed, the leave request must be approved in writing. The written approval must be given to the Human Resources/Payroll Department.

Leave other than FMLA Leave: Employees may be granted leaves of absence for serious health or other conditions where FMLA leave is not applicable or has expired, for job-related educational or professional development, and for the employee's demonstrated personal necessity (to handle personal or family crises or for bereavement).

Leave Requests

Requests for a leave of absence must be made in writing to the employee's department manager with a copy to Human Resources, and should indicate the reason and the length of leave requested. The department head/elected official should review and act upon non-FMLA request for leave in consideration with the following factors:

- The purpose for which the leave is requested.
- The length of time the employee will be away.
- The effect the leave will have on the ability of the department to carry out its responsibilities.
- The quality of the employee's performance prior to the submission of the request.

Written approval from the department head/elected official is required for final approval.

An employee should submit the request for leave at least 30 days in advance of the anticipated leave where the leave is foreseeable. When the leave is not foreseeable, an employee should submit the request form within two (2) days of the time the need for leave becomes known to the employee.

The employee may also be required to submit recertification of the need for continuing leave every 30 days. The County may require that the employee undergo an examination by a physician of the County's choice prior to determining whether leave or an extension of leave will be granted.

Conditions of Leave

Employees may not take a leave of absence to pursue, accept, or work another job.

A leave of absence may be paid or unpaid, depending on the employee's leave accruals. While on an approved leave of absence, an employee must use annual, personal, or sick leave, in accordance with the County Leave Policies. All leave accruals must be exhausted prior to being placed in an unpaid leave status.

Benefits Coverage

While on paid leave, the employer will continue to make payroll deductions to collect the employee's share of his/her benefit premium. Employees taking an unpaid leave of absence are responsible for contacting the Human Resources Department to arrange for the payment of benefit plans.

During an employee's leave of absence, benefits will be administered in accordance with the benefits policies. Eligibility for continued benefits is not dependent on the employee's pay status. To ensure

there is no disruption or discontinuance of benefits, an employee who is out of the workplace on an approved leave of absence MUST contact the Human Resources department for information about protecting and maintaining his/her benefits.

Employees placed on leave, excluding Board of Education employees (teachers) whose leave is governed by Board of Education policies, may continue benefit coverage for a period of one year (12 months). If the leave of absence exceeds one year, benefits will be terminated at the end of the first year.

EMPLOYEES TAKING AN UNPAID LEAVE OF ABSENCE MUST CONTACT THE HUMAN RESOURCES DEPARTMENT TO ARRANGE FOR THE PAYMENT OF BENEFIT PLANS DURING THEIR LEAVE. FAILURE TO MAKE THE REQUIRED PAYMENTS WILL RESULT IN THE TERMINATION OF PLAN COVERAGE.

Returning to Work from Medical Leave (FMLA or Leave of Absence)

Upon returning to work from FMLA or a leave of absence, eligible employees will normally be restored to the same position or an equivalent position with equivalent pay, benefits and other employment terms and conditions. An employee returning from a leave of absence of thirty (30) calendar days or longer must notify the Department Head/Elected Official of his/her intention of returning to work at least fourteen (14) days prior to returning from leave. For leaves of absence involving a health condition, the Return-to-Work Form and/or fitness for duty evaluation from a physician is required before permitting the employee to return to work, regardless of the length of leave.

Reinstatement Procedures

An employee who has been on a leave of absence for a period of 30 calendar days or longer shall notify the Department Head/Elected Official of his/her intention of returning at least 2 weeks prior to returning from leave. Failure to file such notice, or failure on the part of the employee to report promptly at the expiration of the leave of absence, except for satisfactory reasons submitted in advance, shall be a cause for dismissal.

Upon receiving notification of the employee's availability, the supervisor or department head will arrange to have the employee resume his or her previous position, if available.

If the previous position is no longer available, the employee may be considered for other open positions which he or she may be qualified for and as they become available.

If no position exists, the employee will remain on leave until a suitable opening develops. If such an opening does not occur within a 60-day period, any obligation to reinstate the employee is discontinued and the employee's leave status is changed to a voluntary termination. Future reemployment would be as a rehire with only legally required reinstatement of applicable benefits.

For leaves of absence involving a health condition, the Return-to-Work Form and/or fitness for duty evaluation from a physician is required before permitting the employee to return to work.

Family Medical Leave Act (FMLA)

Blount County offers leave under the Family Medical Leave Act (FMLA) for eligible employees.

Eligibility: Employees who have worked for Blount County Government at least one year and for 1,250 hours during the twelve (12) month period preceding the request are eligible to take up to twelve (12) weeks of unpaid leave annually when the absence is necessitated by any of the following circumstances:

- the birth or placement for adoption or foster care of a son or daughter;
- employee's own serious health condition that prevents employees from performing the essential job functions;
- the serious health condition of a son or daughter, parent, or spouse under the care of the employee;
- because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a covered service member on active duty, or who has been called to active duty;
- to care for a covered service member with a serious injury or illness if the employee is the spouse, child, parent, or next of kin of the service member (leave period for military caregivers is 26 weeks).

Applications: Applications (available in the Human Resources Department) for FMLA leave must be submitted in writing. Applications should be submitted at least thirty (30) days before the leave is to start, or as soon as possible if leave is not foreseeable. Employees must provide the County with an appropriate medical certification when requesting FMLA leave.

Certification: Requests for leave related to the employee's own serious health condition, or to care for the serious condition of a son or daughter, parent or spouse, require certification from the treating healthcare provider. Healthcare Provider Certification Forms are available from the Human Resources Department.

Measuring: Blount County has chosen the "measured forward" method that entitles employees to 12 weeks of leave during the year beginning on the first date the FMLA leave is taken after the previous 12-month period ends.

Example: The 12-month period begins Sept. 1, 2020, if that is the first day of FMLA leave. If all FMLA leave is exhausted during the following 12-month period, the next date FMLA leave could be taken would be Sept. 1, 2021.

Intermittent or Reduced-Time Leave: FMLA leave can be taken on an intermittent or reduced-time basis under certain circumstances. Employees may request intermittent or reduced leave for the following reasons:

- when medically necessary to care for a seriously ill family member, or because of the employee's own serious health condition;
- for the birth or placement of a child for adoption or foster care. Intermittent or reduced time leave shall not exceed 12 weeks combined if both spouses are employed by the County.

Only the amount of leave taken while on intermittent/reduced schedule leave may be charged as FMLA leave. If employees need intermittent/reduced schedule leave for planned medical treatment, the employee must work with supervisors to schedule the leave, so it does not unduly disrupt the department's operations.

The County may, in its sole discretion, temporarily transfer an employee on intermittent leave to an alternative job with equivalent pay and benefits that accommodate recurring periods of leave better than the employee's regular job.

Serious Health Condition: "Serious health condition" means an illness, injury, impairment, or physical or mental condition that involves:

- any period of incapacity or treatment connected with inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility;
- a period of incapacity requiring absence of more than three calendar days from work that also involves continuing treatment by (or under the supervision of) a healthcare provider;
- any period of incapacity due to pregnancy, or for prenatal care;
- any period of incapacity (or resulting treatment) due to a chronic serious health condition (e.g., asthma, diabetes, epilepsy, etc.);
- a period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective (e.g., Alzheimer's, stroke, terminal diseases, dialysis, etc.);
- any absences to receive multiple treatments (including any period of recovery) by, or on referral by, a healthcare provider for a condition that likely would result in incapacity of more than three consecutive days if left untreated (e.g., chemotherapy, physical therapy, dialysis, etc.).

Medical/Dental Insurance Premiums: During FMLA leave, the County will continue to pay its portion of the medical/dental insurance premiums. Employees must continue to pay the employee portion of the premium. Employee portions of insurance premiums should be paid continually according to the payroll schedule (i.e., semi-monthly).

Employees who do not return to work at the end of FMLA leave may be required to reimburse the County for payment of insurance premiums, unless the employee's failure to return is due to a serious health condition which prevents the performance of the job or circumstances beyond the employee's control. Employee's may then choose to elect COBRA coverage. Sufficient notice will be given to the employee at the end of FMLA when and if this event occurs. Employees will be responsible for any other elected contributions while out on FMLA.

Accrued Leave: Employees are required to use all available paid time off during FMLA leave. Accrued leave and FMLA leave are used at the same time; employees do not take accrued leave first and then take FMLA.

During unpaid leave, employees will not accrue employment benefits, such as vacation/annual leave, sick leave, pension, etc. while on family and medical leave unless the employee is receiving regular pay by using available paid time off.

Employment benefits accrued through the day the family leave of absence begins will not be lost.

Return to Work: Upon returning from family and medical leave, eligible employees will normally be restored to their job, or an equivalent job with equivalent pay, benefits, and other employment terms and conditions.

Use of family and medical leave cannot result in the loss of any employment benefit that employees earned or were entitled to before using family and medical leave.

While on FMLA leave, employees must periodically update (if possible) supervisors or Department Heads regarding medical status/condition and indicate an intended to return to work date. Appropriate forms must be submitted to Human Resources to initiate FMLA leave or to return to active status. The Return-to-Work Release form provided with the initial FMLA application MUST be returned to Human Resources prior to returning to work. Failure to submit the Return-to-Work Release for will delay returning to work!

Extensions: Family and medical leave is available for twelve (12) weeks. The County may, at its discretion, approve extended personal leave without pay beyond that time. Any such leave will not be job protected. Requests for extended personal leave must be submitted to the Human Resources Department. If possible, requests for extended leave should be submitted two weeks in advance of the previously scheduled return to work date.

Returning to Work from Medical Leave (FMLA or Leave of Absence)

Upon returning to work from family and medical leave or leave of absence, eligible employees will normally be restored to their job, or an equivalent job with equivalent pay, benefits, and other employment terms and conditions. An employee who has been on a leave of absence for a period of 30 calendar days or longer shall notify the Department Head/Elected Official of his/her intention of returning at least 2 weeks prior to returning from leave. For leaves of absence involving a health condition, the Return-to-Work Form and/or fitness for duty evaluation from a physician is required before permitting the employee to return to work.

Maternity Leave

Pregnancy, childbirth, and related conditions will be treated as any other temporary medical disability regarding leave policies. Leave is available under the same terms and conditions as for other similar purposes, for a period not to exceed four (4) months which is counted as part of Family Medical Leave (see Family Medical Leave):

- The employee must have been employed by the County for at least twelve (12) consecutive months as a full-time employee.
- In cases of adoption or foster care, the child must be under the age of one (1) year at the time of placement.
- The employee must give the County at least three (3) months advance notice of the anticipated date the leave is to begin, except in cases of emergency; the entitlement to leave begins on the date of birth or placement and ends six weeks thereafter.

Parental Leave

An employee who has been employed by Blount County Government for at least twelve (12) consecutive months as a full-time employee, may be absent from employment for a period not to exceed four (4) months in connection with pregnancy and childbirth. Eligibility for parental leave under this policy and the Family and Medical Leave policy counts against your entitlement under both laws. The specific content of the Tennessee Parental Leave Act found at T.C.A. § 4-21-408 is reproduced as follows:

Leave for adoption, pregnancy, childbirth and nursing an infant:

- Employees who have been employed by the same employer for at least twelve (12) consecutive months as full-time employees, as determined by the employer at the job site or location, may be absent from such employment for a period not to exceed four (4) months for adoption, pregnancy, childbirth and nursing an infant, where applicable, referred to as "leave" in this section. Regarding adoption, the four-month period shall begin at the time an employee receives custody of the child.
- Employees who give at least three (3) months' advance notice to their employer of their anticipated date of departure for such leave, their length of leave, and their intention to return to full-time employment after leave, shall be restored to their previous or similar positions with the same status, pay, length of service credit and seniority, wherever applicable, as of the date of their leave.
- Employees who are prevented from giving three (3) months' advance notice because of a medical emergency that necessitates that leave begin earlier than originally anticipated shall not forfeit their rights and benefits under this section solely because of their failure to give three (3) months' advance notice.
- Employees who are prevented from giving three (3) months' advance notice because the notice of adoption was received less than three (3) months in advance shall not forfeit their rights and benefits under this section solely because of their failure to give three (3) month's advance notice.
- Leave may be with or without pay at the discretion of the employer. Such leave shall not affect the employees' right to receive vacation time, sick leave, bonuses, advancement, seniority, length of service credit, benefits, plans or programs for which the employees were eligible at the date of their leave, and any other benefits or rights of their employment incident to the employees' employment position; provided, that the employer need not provide for the cost of any benefits, plans or programs during the period of such leave, unless such employer so provides for all employees on leaves of absence.

If an employee's job position is so unique that the employer cannot, after reasonable efforts, fill that position temporarily, then the employer shall not be liable under this section for failure to reinstate the employee at the end of the leave period.

The purpose of this section is to provide leave time to employees for adoption, pregnancy, childbirth and nursing the infant, where applicable; therefore, if an employer finds that the employee has utilized the period of leave to actively pursue other employment opportunities or if the employer finds that the employee has worked part-time or full-time for another employer during the period of leave, then the employer shall not be liable under this section for failure to reinstate the employee at the end of the leave.

Whenever the employer shall determine that the employee will not be reinstated at the end of the leave because the employee's position cannot be filled temporarily or because the employee has used the leave to pursue employment opportunities or to work for another employer, the employer shall so notify the employee.

Nothing contained within the provisions of this section shall be construed to:

- Affect any bargaining agreement or County policy that provides for greater or additional benefits than those required under this section
- Apply to any employer who employs fewer than one hundred (100) full-time employees on a permanent basis at the job site or location

- Diminish or restrict the rights of teachers to leave pursuant to title 49, chapter 5, part 7, or to return or to be reinstated after leave

Employees who are members of any U.S. military reserve component, including the Tennessee Army and the Air National Guard, will be granted a leave of absence for all periods of military service during which they are engaged in the performance of duty or training for this state or for the United States of America under competent orders.

While on leave, the employees will receive their regular compensation for a period not to exceed twenty (20) working days per calendar year, plus any additional days that may result from a call to active state duty by the Governor. Such requested leave shall be supported with copies of the armed forces order.

If a holiday occurs during the employee's leave, he/she will receive holiday pay.

An employee required to report for military training must provide the appropriate orders to their supervisor. A Change of Status form must be completed and forwarded, along with a copy of the employee's military orders, to the Human Resources Department.

Any benefits the employee has elected will be suspended if and when the employee's military coverage takes effect. The employee will continue to pay the monthly premiums until military benefit coverage takes effect. The employee will be allowed to resume benefit coverage (with no waiting period) with Blount County upon his/her return to employment with the County.

Employees working day shifts, and whose jury service was under three hours, are expected to return to work upon being released from service. Employee Benefits

Benefits Eligibility

Employees working a minimum of thirty (30) hours per week are eligible for benefits. These benefits currently include medical coverage, dental coverage, and supplemental benefit options.

Employees whose hours drop below thirty (30) hours per week on a regular basis will lose eligibility for medical/dental and other insurance coverage. The employee and all covered dependents will be offered COBRA. Employees are responsible for listing only dependents that are eligible for coverage as defined by the plan rules. If a covered dependent becomes ineligible based on the plan rules, it is the employee's responsibility to notify Human Resources immediately.

Benefits Effective and Termination Dates

Benefits begin the 1st of the month after thirty (30) days of employment. For example, if the hire date is January 18th coverage will begin on March 1st.

Because benefit premiums are paid current, the termination effective date for benefits is based on the number of paychecks received in a month. For example, employees receiving one (1) check during the month in which employment terminates, benefit coverage will end on the 15th of the month. Employees receiving two (2) or more checks during the month, benefit coverage will end on the last day of the month.

Medical/Dental Coverage

Currently, employees must enroll for coverage within thirty (30) days of employment or an eligible qualifying event. Temporary employees, seasonal employees, and interns are not eligible for medical/dental coverage. Complete benefit packets are provided at new hire orientation. Additional packets may be obtained by contacting Human Resources.

Information regarding the current medical/dental plan and premiums is available from Human Resources or on the web site <https://www.blounttn.org/761/Blount-County-Government-Benefits> .

Medical and dental plans, benefit designs, eligibility rules, and premiums are subject to change each plan year based on the previous year's claims experience. Announcements concerning changes for the upcoming plan year are made during the annual open enrollment period each fall. Employees are

required to review notices, home mailings, and department memos for information about the benefits for the upcoming year. Typically, the enrollment/change period occurs in the Fall of each year. It is the employee's responsibility to stay informed of benefit changes.

Benefit Premiums/Payroll Deductions

Employees are responsible for reviewing paychecks to ensure the appropriate benefit premiums have been deducted. Deductions will begin the first pay period of the month in which coverage begins. Benefit premiums are deducted from 24 pay periods per year. Employees on unpaid leave or no-pay status must contact Human Resources to make payment arrangements. Failure to pay premiums while on no-pay status will result in the loss of coverage!

COBRA

If insurance coverage is discontinued due to termination of employment, a reduction in work hours, or other qualifying event, the employee and any covered dependents may be eligible to continue coverage through COBRA.

For a full explanation of COBRA terms and eligibility, contact Human Resources or refer to the "General COBRA Notice" received at time of enrollment.

For more information on these products contact Human Resources.

Workers' Compensation

If an employee experiences an on-the-job injury or illness, the employee is required to:

- Report the incident to the supervisor immediately;
- Ensure that the supervisor completes the First Report of Injury form provided by the State of Tennessee;
- Select a physician by completing the Employee's Choice of Physician form provided by the County;
- If an employee requires emergency medical treatment, the employee should go to the nearest emergency room of their choice. If the situation warrants, contact the local ambulance service for transport;
- Notification to Risk Management should be made as soon as possible.

If a follow up appointment is required after the initial visit to the emergency room, the injured worker must choose a physician from the Employee's Choice of Physicians form. The injured worker is not authorized to return to the emergency room for follow up treatment (i.e., removal of stitches, change of injury dressing, etc.).

If the claim is deemed compensable, Risk Management or the County's third-party administrator will schedule the initial appointment with the medical provider selected. Employees or supervisors are not authorized to schedule the initial appointment with a medical provider for Workers' Compensation injuries.

The injured worker is required to attend all scheduled appointments with the authorized treating physician and/or approved physical therapist. If an appointment must be rescheduled, notify Risk Management and they will reschedule the appointment.

It is the injured workers' responsibility to notify their supervisor and Risk Management if the authorized treating physician instructs the employee not to return to work, or to return to work with restrictions by providing the forms from the physician. It is also the injured workers' responsibility to notify their supervisor and Risk Management when the physician releases the injured worker to full duty by providing the forms from the authorized treating physician.

If the restrictions assigned by the authorized treating physician cannot be met within the department, Risk Management may offer the injured worker Alternate Duty. Alternate Duty is a temporary job assignment that will accommodate the injured workers' restrictions assigned by the authorized treating physician. Modified duty will be offered to the injured worker upon availability. The alternative job duties will be productive and valued work that can be performed safely and without risk of re-injury or aggravation to the disability, or risk to other employees.

Copies of all paperwork, including return to work forms, must be turned in to your supervisor and Risk Management.

If you are released to return to work with restrictions from your physician, and Blount County can provide you with a job that meets those restrictions, you are required to return to work and complete the assigned tasks.

Tuition Reimbursement

Tuition reimbursement is a plan which offers financial assistance to an employee who takes college-level courses directly related to his/her work or to a position the employee might conceivably be considered for in the future and which is likely to increase his/her value to the County. This program is not specifically intended to support a full-time course of study but is designed to enhance the quality of work that the individual brings to the job. It is provided to those employees classified as regular full-time who have satisfactorily completed one year of continuous service. To receive reimbursement under this policy, an employee must agree to continue in employment with Blount County for at least one year from the date of completion of the course(s) being reimbursed and to return the reimbursement if the employee does not continue employment for at least one year. Tuition Reimbursement is available when the following requirements have been met:

- Courses are job-relevant, college-level courses taken at an institution that is accredited (as recognized by the US Department of Education, Office of Postsecondary Education), found at <http://www.ope.ed.gov/accreditation/search.asp>, and must be on a for-grade basis and printed out and attached to the approval form. Courses taken on a pass/fail or audit basis that are job-relevant or are required for a degree program that is job relevant, may be eligible for tuition reimbursement; however, such courses must be presented to his/her immediate supervisor and then to the Department Head/Elected Official of the employee for consideration and approval. It is the responsibility of the employee making the request to make it clear on his/her pre-approval form that the course is pass/fail or is on an audit basis.
- The employee has submitted a Tuition Reimbursement Form for pre-approval to his/her immediate supervisor. The Department Head/Elected Official will review the pre-approved form to determine whether or not the course is eligible for reimbursement. Tuition Reimbursement Forms are available on the Blount County web site/Human Resources Department. Failure to obtain pre-approval from his/her immediate supervisor may result in denial of the tuition reimbursement request.
- Upon completion of the course, the employee must submit proof that he/she has received a grade of C or better if a course was taken on a for-grade basis, or the employee must submit written proof from the instructor and/or sponsor that the employee satisfactorily completed a course on a pass/fail and/or audit basis. Proof must be submitted by official transcript, delivered unopened by the employee or sent directly from the school. The employee must also submit the itemized tuition receipt verifying cost and payment of tuition. This receipt must show a listing of all costs by item (e.g., maintenance/tuition, activity fee, etc.) must show the dates the fees were

assessed and paid, must show payment amount(s) and method of payment (e.g., check, credit card, financial aid, etc.), and must indicate a zero balance on the account. Submission for completed course will be returned to the Department Head/Elected Official of the employee for review and forwarded to the Accounting Department for reimbursement. Copies of completed course work will be placed in the employee’s training and/or personnel file.

- The employee affirms that he/she has not been totally reimbursed for this approved educational training by some other funding source. Persons being supplemented under any other program(s) (e.g., state supplements, G.I. Bill, scholarships including the Tennessee Education Lottery Scholarship program, government funding, etc.) are only eligible for benefits under Blount County Government’s reimbursement program for the difference between the cost of the approved training and any other funding source(s) up to the maximum reimbursement cap of \$1,800 per fiscal year, \$600 per semester or \$450 per quarter.

Employees will not be reimbursed for late fees, cost of books, service fees, technology fees, athletic fees. Employees will be reimbursed for maintenance/tuition fees upon submission of a transcript as follows:

For Grade Basis	% Reimbursement
A	100%
B	90%
C	80%
Below C	No Reimbursement
Pass/Fail or Audit	50% Undergraduate Coursework 100% Graduate Coursework

Employees intending to take courses must have forms to supervisors in January of each year. Approval forms must be completed prior to the start of each semester. Each approval must have the authorization of the Department Head/Elected Official to ensure funds are available for reimbursement. The Elected Official may suspend tuition reimbursement at any point due to lack of funding. Any violation of this policy or procedure will result in the employee refunding all tuition back to Blount County and will be considered a serious violation.

Professional Development Courses

Professional development courses paid by Blount County will follow the same procedure for pre-approval by the immediate supervisor and the Department Head/Elected Official. Completed course documentation (certifications, transcripts, etc.) will also be placed in the training/personnel file. To encourage all employees to become more computer literate, Blount County will reimburse employees under this policy for the successful completion of up to one non-accredited computer course per year taken during non-work hours. The course must be approved in advance on the Tuition Reimbursement Form by the Department Head/Elected Official as cost effective and appropriate for education in standard computer software skills. This provision does not apply to or have any effect on computer training that a department may approve and fund during work hours.
