

ARPA Utility Projects Monthly Update – June 2023

- The contract with the Tennessee Department of Environment and Conservation (TDEC) has been received and reviewed. A resolution to approve the grant contract will go before the County Commission for approval at the July 20, 2023 meeting.
- The Tuckaleechee Utility District (TUD) Water System project remains on schedule. The design report is complete and they are proceeding with the construction document phase. This project is funded by the County's direct ARPA allocation.
- South Blount County Utility District (SBCUD) continues to work with the purchasing department on the bid process for their two Blockhouse projects. These projects are funded by the County's direct ARPA allocation.
- The contracts for the remaining projects with the City of Friendsville, South Blount Utility District and Knox Chapman Utility District have been signed. Project work will begin once the TDEC contract is in place.
