Here is an item for next months budget committee. This will be an addition to the traffic study that was approved in July, so we don't need the full amount, just the difference in what was already approved. Thanks.

Canon and Canon- updated scope of work comes in at \$64,500. This has not been reviewed by the Highway or myself. I just wanted to give you an update.

Hey Chico,

Please see attached for the revised proposal and scope of work for this project. Let us know if you have any questions.

Thanks!
