

Blount County Budget Committee Memo

TO: Blount County Commissioners

FROM: General Admin Projects

DATE: August 4, 2026

RE: Covered Storage Building

1. Proposal (what is the new item/service being requested) This project will consist of a covered storage building for the Sheriff's Department to house various vehicles and equipment that needs to be weather protected.

2. Current Operations (how are operations without the request and impact if not funded) The various vehicles and equipment are currently parked outside behind the detention center, and are being exposed to the elements which is deteriorating their condition at an accelerated rate.

3. Impact if funded (provide summary if the request is approved) We have obtained a quote for materials and install of a structure that would allow these items to be parked and stored under cover, which will protect the County's investment in these items.

Budget Impact	
Original Budget	\$ 0.00
Amendment Impact	\$ 49,895.00
Proposed Revised Budget	\$ 49,895.00
