The License begins on the Effective Date (as set forth in the Quotation) and continues until the Termination Date (as set forth in the Quotation) unless renewed. This License may be extended by the mutual agreement of the parties and after Licensee’s payment of the agreed upon annual renewal license fee (which fee may be increased from time to time).

Absent Licensor’s express written consent, Licensee shall not, nor shall it permit, authorize, or assist any third party to:

- modify, translate, merge, reproduce, enhance, or create derivative works based on the Software;
- sell, resell, license, distribute rent, lease, grant a security interest in, or otherwise transfer rights to, the Software; or
- reverse engineer or use the Software to (a) build a competitive product or service; (b) build a product using similar ideas, features; or functions of the Software or (c) copy any ideas, features, or functions of the Software.

Licensor may modify this Agreement only with the mutual agreement of the Licensee.

Licensee represents and warrants to Licensor that it will not transmit any materials that violate the rights of any third party, including intellectual property and contractual rights, or personal or privacy rights.

Licensor shall not be responsible for losses, costs, expenses, claims and liabilities (including attorneys’ fees) arising out of or relating to Licensee’s violation of this Agreement.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER LEGAL RIGHTS THAT VARY BY JURISDICTION.

TITLE: The Software is licensed, not sold, and Licensee has no ownership rights in the Software. Except for the License granted herein, Licensor retains all title, ownership rights, and intellectual property rights in the Software. The Software is protected by the copyright laws and treaties. The Licensor represents and warrants that it holds the rights to the intellectual property of the Software. Title and related rights in the content accessed through the Software is the property

Either Party may terminate this License for any reason upon thirty (30) days written notice to the other Party. Upon termination, Licensee must cease using the Software and any continued use of Software by Licensee after termination shall be unauthorized.

If Licensor is unable to service the Software until the end of the subscription period, or if Licensor unilaterally terminates the agreement, Licensor will provide a pro-rated refund to Licensee of the paid but unused subscription period, rounded up to the nearest full month. If Licensee unilaterally terminates this Agreement, the Licensee forfeits the right to the pro-rated refund of the unused subscription fees.

OWNERSHIP OF DATA: Licensor does not own any data, information, or material that Licensee submits to the Software ("Customer Data"). Licensee, not Licensor, shall have sole responsibility for the accuracy, quality, integrity, legality, reliability, appropriateness, and intellectual property ownership or right to use of all Customer Data, and Licensor shall not be responsible or liable for the deletion, correction, destruction, damage, loss, or failure to store any Customer Data. Licensor agrees to only use Customer Information for the purposes of operating the Software and agrees to never resell, rent, or otherwise provide Customer Data to any third party unless specifically for the purposes of operating the Software to perform services under this Agreement. COUNTERPARTS: This License may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same License.
