

Blount County Budget Committee Memo

TO: Blount County Commissioners

FROM: Circuit Court Clerk

DATE: December 15, 2025

RE: LexisNexis Law Library Capabilities

1. Proposal (what is the new item/service being requested) We would like to change our LexisNexis contract to include AI Drafting capabilities to benefit our Judges and County Attorney.

2. Current Operations (how are operations without the request and impact if not funded) We will still have our research capability, but would not have the option of using the AI to assist with research and preparation of documents.

3. Impact if funded (provide summary if the request is approved) Currently we use LexisNexis for research. This new contract would have the capability to do AI drafting of legal documents and includes the Tennessee State Practice Library, All Briefs, Pleadings, Motions, Jury Instructions and National Trial Court Orders in addition to what we currently have.

Budget Impact	
Original Budget	\$ 12,792.00
Amendment Impact	\$ 1,690.00
