Re: **Annual THSO (Tennessee Highway Safety Office) grant worksheets**

---

Budget Committee Members and Commissioners,

Attached are our annual THSO grant application worksheets for our overtime grants associated with time worked addressing TN Hwy Safety issues - motorcycle safety, dui's , and distracted driving.

They are recurring grants and already included in the budget. In addition, they do not obligate the County in any way, as they reimburse us for any overtime worked for these activities. They are presented as information only.

Thank you,

Jeff Clark, Deputy Chief Patrol
