(1) Draft Resolution

Summary:

At the August meeting, staff was asked by Commissioner Bright to bring an amended definition of day care center to the Planning Commission for consideration at their regular September meeting. Staff consulted with the County Attorney's office to draft a comprehensive definition for "Day Care Center" that includes provisions for Adult Day Cares while also amending the current definition related to children to put it more in line with the definition for "child care agency" found in the TCA code.

Possible action: Forward to the County Commission with a recommendation.

A similar recommendation will be required from the Alcoa Regional Planning Commission prior to public hearing and consideration by the County Commission
