A RESOLUTION TO AMEND Highway Capital Fund 176 Budget

- WHEREAS,** Blount County Highway Department requests to increase the Highway Capital Fund 176 Budget to appropriate funds in the amount of \$648,864.78 to be used to make the necessary upgrades to four signalized intersections to bring them up to TDOT current standards; and
- WHEREAS,** the existing intersections are antiquated and have received minimal maintenance which increases the likelihood of failure and reliability issues. In their current inadequate state they are ineligible for monitoring and recovery by modern traffic management systems; and
- WHEREAS,** The surrounding municipalities have a traffic management system which they use to aid in the traffic volume of Blount County. Once the upgrades are complete the signalized intersections would have the ability to use automated monitoring and adjustment systems which do assist in traffic control; and
- WHEREAS,** It is deemed to be in the best interest of Blount County, to amend the Highway Department Fund 176 Budget as requested.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of Blount County, Tennessee, assembled in regular session on this 16th day of June 2026, that the Highway Capital Fun 176 Budget shall be amended as follows:
