In case of any confusion, by "excess funds" I mean monies collected when a property is sold at tax sale which are over and above the amount of property taxes/penalties and interest owed. I am only looking for uncollected excess funds on unredeemed properties. The information I would like is the date of the tax sale, name of owner at	Yes

Create Date	Reference No	Customer Full Name	Assigned Dept	Public Record Desired	Completed/Closed
				<p>the time of the tax sale, the tax identification number (sometimes called "Parcel Number" or "Parcel Identifier" or "Folio Number"), either the property address or owner's mailing address, and the amount of surplus funds due the owner. If you have some portion of the above information available, I am interested in what you do have available. If you have these records in electronic format such as PDF, Excel or CSV files, I'd prefer the information that way. Otherwise, please let me know how much a hard copy of your list will be, and where and to whom to mail payment for a hard copy. If you do not maintain a list of excess funds, any advice on how I could collect that information from existing files you have would be very much appreciated! If I have reached the wrong department, I would very much appreciate this email being forwarded to the correct department, with a carbon copy sent to me. If there is anything I can do to aid or expedite the process, please let me know, as I'm eager to do whatever I can to make your job easier. Thanks in advance, Hawkeye Research, MaryAnn Driscoll</p>

8/19/2025	<a href="#">P001987-081925</a>	Aleksandra Przekazinska	Chancery / Clerk & Master	I hope this message finds you well. I'm reaching out because I'm a bit stuck and I was wondering if you might be the right person who could help guide me. I'm trying to find out whether probate records exist for two family members who passed away in Blount County: Richard Dewayne Banks - DOB: March 1968, DOD: 2020 Edyth C. Banks - DOB: September 1940, DOD: September 30, 2015 I understand that Tennessee's Public Records Act provides access to citizens of the state. I am not a Tennessee resident, but I would like to ask whether there is any way for a non-resident to obtain copies of probate records (such as wills or estate filings) from your office. Even just knowing if cases were filed (and any docket or case numbers) would be an enormous help. If there's a way to obtain copies by mail, email, or even through a local representative, I'd be grateful for your guidance. Thank you so much for taking the time to read this and for any help you can provide. I truly appreciate your direction! 9/10/2025	<a href="#">P002180-091025</a>	Sue Street	Chancery / Clerk & Master	Good morning. This is a "fishing" request. I am looking for a POSSIBLE divorce between Bobbie Virginia Skeens Williams and Paul J. Williams, Jr. If there was a divorce, it would most likely have been between 07/01/2021 and 06/01/2025. I'm working from a poorly drafted deed dated 03/04/2024 that doesn't give enough information regarding Bobbie who does not join that deed---it just says she passed away. If Bobbie and Paul were divorced before her death, she was survived by children who were not Paul, Jr.'s children. If you find a divorce action, please send me the Final Decree and Marital Dissolution Agreement. It is possible Bobbie's estate may have been probated, but I don't think so. In the event it was, however, could you also send me the documents from her probate file? Thank you!	Yes
