Title

Approval is hereby granted for lots 1-3 defined as HUTTON RIDGE SUBDIVISION, Blount County, Tennessee as being suitable for surface sewage disposal (SDD) with the listed attached restrictions.

Prior to any construction of a structure, mobile or permanent, the plans for the exact house/structure location must be approved and a SDD system permit issued by the Division of Environmental Health. Water taps, water lines, underground utilities and driveways should be located at the side property lines unless otherwise noted. Any cutting, filling or alterations of the soil conditions may void this approval.

Director, Environmental Health
Blount County Health Department
Date

Lots: 1-3
are approved for standard individual sub-surface sewage disposal system serving a maximum of 3 bedrooms.

House design, size, location and driveway design will determine the actual number of bedrooms for which a permit may be issued.

The owner and/or developer of any lot, in developing the lot into building, whether primary structure or accessory structure, or conducting any development or use that will disturb soils on the lot, shall reserve and maintain area sufficient for primary, secondary (and tertiary when applicable) septic field lines appropriate to the size and use of buildings and other development or activities. The Blount County Environmental Health Department should be consulted prior to any construction to determine appropriate area to be reserved undisturbed for septic field use.
