Dear K.C.,

The foundation is proud to support the library and its programs, including the ongoing I.T. modernization. This is vital as many of our counties citizens depend upon the library for its Wi-Fi, computers, online continuing education and much more.

Enclosed is a check in the amount of \$40,000.00 in support of the new phone system.

Together, with library staff we look forward to the positive changes of an updated system.

Sincerely yours,

Mr. Charles West
Vice President, Foundation for the Blount County Public Library
