

# Mike Lewis

For the past 63 years I have called Blount County home. My wife Brenda and I live in Alcoa. Our daughter Melissa, her husband Brian live in Maryville. As well and we enjoy three wonderful grandchildren.

I am a product of the Maryville school system and a graduate from the University of Tennessee with a major in economics.

I am employed with Renasant Bank in Maryville as a Relationship Manager. I have been in the banking business for the past 43 years and have developed many relationships over that time. Blount County is a wonderful place to grow up, raise a family and have a true sense of community.

I believe that community involvement is paramount to what makes this such a good place to live and raise a family. I have tried to do that through service in many non-profits such as Blount County Children's Advocacy Center, Community Action Agency, Boys and Girls Club, and United Way, among others.

I also believe, when possible, public service is important. I served on the Blount County Commission as an elected official for 12 years, serving on various committees, including the budget committee, the human resources committee, purchase committee and Parks and Recreation board. It was a good experience and a great way to learn more about the county we call home.

Hobbies: Walking, golf, fishing and yard work
