Re: Budget increase for Old Tuckaleechee Rd Slip

Resolution No. 23-1-002 was passed at the January 19, 2023 County Commission meeting to appropriate \$209,185.50 to repair Old Tuckaleechee Road slip. This slip has continued to deteriorate increasing repair costs. Therefore, it is now necessary to obtain additional monies in the amount of \$156,700.00 (beyond those appropriated in January) to make the road safe for the citizens of Blount County to travel.
