Re: Fund 141 – Budget Increase for State Grant for Summer School June 2023, FY 22-23

The Board of Education respectfully submits a Budget Increase resolution of \$1,209,952 for the Summer School Tennessee State Grant. Grant funds are to be used for addressing reading and math potential learning loss of Blount County Schools students due to school closure from Covid-19. The focus is to provide innovative, student centered academic programs during the month of June 2023. Bus transportation and meals will be provided with the State Grant funds.

The source of funding is an increase in Other State Grant revenues.

Sincerely,
