Please contact your Sales Consultant for a current estimated shipment date and lead times. Mason usually requires 10-12 weeks AFTER signed approval drawings to produce and ship your equipment, but these lead times are sometimes shorter or longer.

Upon receipt of SIGNED approval drawings a date for delivery will be agreed on and production will commence. If this date slips by more than two weeks after production commences, Mason will continue its manufacturing schedule and store the equipment at a nominal charge, and Customer will pay the balance, due less 10%, with full payment due upon shipment. This point of this paragraph is important and warrants re-emphasizing: production does not start when an order is placed, it starts AFTER Mason has received SIGNED approval drawings.

Equipment is shipped via motor freight using 48' to 53' long semi-tractor trailers. Customers are responsible for unloading the equipment, unless other arrangements have been made. Additional charges will apply if lift gate service or limited inside delivery is needed, and these must be scheduled in advance.

Customers picking up their equipment are subject to handling fees.

**AUTHORIZATION:** Buyer acknowledges and accepts these Terms and Conditions by signing the quote and payment terms on the preceding page.

**TAXES** - Unless specified to the contrary, state or municipal taxes related to the sale, use, or transportation of the ordered products will be for Buyer's account, and if paid or required to be paid by Mason, the amount thereof will be added to and become a part of the price payable by Buyer.

**FREIGHT** - Unless specified to the contrary, all prices are FOB destination and subject to change. Delivery of products may be made by the carrier selected by Mason, either by a single delivery or in lots. Title and risk of loss arising from any cause pass to Buyer upon delivery to a carrier. Buyer shall be responsible and liable for expenses arising from the unloading of products consigned to Buyer. Times of delivery are estimated but are not guaranteed. Mason shall not be liable to compensate Buyer for damages resulting from delays in shipment and delivery due to causes beyond Mason's control; including, but not limited to, strikes, fire, floods, accidents, delays or defaults of a supplier or contractor, government regulations, failure of production of facilities and disruptions due to transportation facilities. In the event of any delay in delivery due to any cause beyond the control of Mason, Buyer agrees either to accept delivery at such time as can be effected, or, at his option, compensate Mason for all costs of production (including, but not limited to costs of materials, labor, and overhead) incurred up to the time Mason receives written notice of Buyer's desire to have production of the order stopped.

Mason's freight quotations are estimates obtained from software furnished to Mason by truck lines and are not guaranteed to be accurate by either Mason or the truck lines.

Customers are sometimes subject to additional freight charges not included in Mason's quotation. Examples include:

- A) Some customers request the carrier call them prior to delivery. Most truck lines charge a fee for this service.
- B) Truck lines sometimes charge extra for delivery to residential addresses in certain areas of the country.
- C) Truck lines often charge storage fees if a customer will not take delivery of a shipment within a stated amount of time after its arrival at the delivering terminal.
- D) Carriers may charge a redelivery fee if more than one trip to the final destination for unloading is required.

Unless specified to the contrary, Buyer agrees to pay any additional freight or accessorial charges.

**CANCELLATION** - Orders are not cancelable, either in whole or in part, nor is material returnable for credit. All deposits are non-refundable.

**PERIOD OF LIMITATION** - Any claim against Mason for alleged breach of this agreement shall be commenced within one year after said claim has occurred. Any legal claims shall be filed in Hamilton County Ohio and governed by Ohio law. Mason's liability for damages is limited to the consideration actually paid to Mason.

**NO DAMAGE FOR DELAY** - Mason shall not be liable for, and Customer covenants not to assert, claims or demands for construction or project delays, or other losses, costs or expenses of any nature whatsoever, caused by or attributed to delays in engineering, shipping, delivery or other performance required of Mason or caused by or attributed to missing, miss-fabricated or otherwise defective or deficient drawings, materials, products and installation. No representation, promise, or undertaking of Mason with respect to any proposed or required date shall be construed to be an undertaking by Mason to assume liability for losses, costs or damages of the type disclaimed in the preceding sentence. If any portion of the foregoing disclaimer is determined to be subject to a common law or statutory exception, or is otherwise held to be unenforceable in whole or part, the remaining portion shall be unaffected. UNDER NO CIRCUMSTANCES WHATSOEVER SHALL MASON BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES FROM ANY DELAY FOR ANY DAMAGES WHATSOEVER FROM DELAYS CAUSED BY FACTORS BEYOND MASON'S REASONABLE CONTROL. Breach of this covenant shall entitle Mason to recover damages for the costs and expenses, including attorneys' fees, Mason incurs defending against such claims.

**FORCE MAJEURE** - Mason will not be liable to Customer for any inability or delay attributable to circumstances over which Mason has no control. If circumstances over which Mason has no control occur, Mason's time for performance will be extended by the period of any delay attributable to the circumstances.

**SCHEDULING** - Mason will attempt to schedule each project to accommodate customer's needs. Customer covenants and warrants it will use its best efforts to communicate to Mason changes in project date as soon as they are known, suspected or anticipated so Mason can modify its production schedule. Should the customer change the scheduled project date after it has been accepted by Mason, Mason will reschedule the project to a date that fits with Mason's production and/or shipment schedule. Mason will not be responsible for any losses the Customer incurs as a result of this change in schedule. Furthermore this change in schedule will not relieve the Customer from fulfilling his obligations under this agreement.
