Telemedicine

- Convenient Care – **Recommended**
 - Employee pays full cost currently
 - Recommend County cover \$5 per month towards the coverage premium
 - Should employee not want to utilize the benefit, the County wouldn't pay the premium
 - Claims wouldn't run through the plan
 - Employees not taking the health plan could participate
- WellVia
 - \$.25 Per Employee Cost would be incurred on every employee on the medical plan regardless of use
 - Employees not on the medical plan would not be able to take the benefit
 - Claims would run through the medical plan if employee doesn't pay the Copay
- Claims reduction through Telemedicine expected to cover any costs incurred in either program from County.
