Re: Inmate Telecommunications

Revenues from inmate communications are tracking higher than expected.

These revenues are split 50/50 between funds 101 and 122.

We are requesting to increase communications revenue and the corresponding appropriations budgets.

Fund 101 – use to cover inmate medical expenses

Fund 122 – use to purchase needed K-9s, replace metal on horse barn, and to cover other expenses associated with the Sheriff's Drug Fund

Thank you,
